

Courses offered in
English for exchange
students **2015-2016**

JAMK University of Applied Sciences School of Health and Social Studies

- Degree Programme in Nursing
- Degree Programme in Midwifery
- Degree Programme in Physiotherapy
- Degree Programme in Rehabilitation Counselling
- Degree Programme in Social Services
- Degree Programme in Occupational Therapy

In the School of Health and Social Studies we offer Bachelor's degree programmes in physiotherapy, rehabilitation counselling, occupational therapy, nursing, midwifery and social services. The degree programme in nursing is taught both in Finnish and in English. In addition to youth education, we offer Bachelor and Master's degree programmes for adult learners.

From the following you can find courses offered for incoming exchange students during 2015-2016 at JAMK University of Applied Sciences, School of Health and Social Studies. You need this information for filling in the Learning Agreement=study plan, which is a compulsory part of the Online Exchange Application, which can be found at: <https://www.jamk.fi/en/JAMK-information/international/For-incoming-exchange-and-double-degree-students/Application-Periods-and-Process-for-Exchange-and-Double-Degree-Students/>

Professional practice

It is possible to apply for supervised professional practice in the fields of physiotherapy, rehabilitation counselling, occupational therapy, social services, nursing and midwifery. Incoming exchange students can also complete a period of professional practice in versatile lab environments. In order to apply for professional practice, please contact International Coordinator Ms Armi Hirvonen for further information. Professional practice allocations require the following information from the incoming exchange student: CV, motivation letter and training objectives. These can be sent direct to the International Coordinator at the application stage.

Application periods

- Application period for the following autumn semester is from 15 March to 15 May
- Application period for the following spring semester is from 15 September to 31 October

Course descriptions and timetables
