San Juan Unified schools can make Race for the STARS a fundraiser for their individual school. Schools will receive \$10 for every adult registration and \$5 for every student and child registration. Participants must identify a San Juan Unified school at the time of registration for the school to receive credit.

Volunteer

We need your help planning the event and the after race party. We also need help on race day. Please let us know if you can help us raise money for San Juan Unified schools.

Safety Rules

We love dogs but please leave your pet at home. District rules prohibit dogs on school property. Please leave your roller blades, skateboards and bicycles at home for the safety of all participants. Strollers begin to the rear of the group.

The Course

The Race for the STARS is a fast flat course that starts and finishes on the Rio Americano High School campus. It winds along American River Drive and on the levee.
