

February 2017

Dear Friends,

Yes... it seems like a long time ago, but here it is again.....

The BC Insulation Contractors Association **10th Annual Mesothelioma Golf Tournament Fundraiser** is coming up on **Friday, May 26th** at the amazing Northview Golf & Country Club in Surrey, BC.

Why do we keep doing this? The point is there are still many men and women who are dying every year from asbestos-related illness. Asbestos deaths in 2015 were 33% of all workplace fatalities. There have been 584 deaths due to workplace asbestos exposure in the last ten years. That is 40% of all workplace deaths in the last decade. That is why we keep raising money.

Over the last nine years we have raised an amazing \$383,368.00. The monies that we raise go into pre-screening and purchasing equipment for pre-screening. The government still does not fund any pre-screening for asbestos.

Once again this year we are asking for your support in the form of a donation and/or sponsorship to help the cause. I would like to send a huge thanks to all of our 2016 donors/sponsors (see attached).

If you have any questions or would like further information on the tournament, please contact Tournament Coordinator Nancy Antolcic by telephone @ 604-505-3565 or by email @ nancyantolcic@shaw.ca

Hope to see you there and thank you in advance for your support!

Sincerely,

ANDRE PACHON
