## BCICA WELCOMES NEW MEMBERS

The BCICA Board of Directors would like to extend a warm welcome to two new contractor members, Wayne Hofer of Hofer Mechanical Insulation Inc. in Kelowna B.C., and Jesse McGee of Sprint Installations Ltd., located in Surrey B.C.

**Hofer Mechanical Insulation Inc.** is the first member to join under the Affiliate Membership category which was approved by the members at the AGM last year. Like most contractor “Corporate Representatives”, Wayne has worked as a tradesman in the industry for many years. He will undoubtedly use his expertise and professionalism to further raise the standard of mechanical insulation work in the Okanagan Region. As expectations are high for the growth of the QAC Program throughout the Province, there is no doubt that Wayne, and Hofer Mechanical Insulation Inc., will want to fly the QAC Certified Logo by taking the final membership steps as soon as possible. In the meantime, we wish Wayne the very best and urge BCICA Members to provide Hofer Mechanical Insulation Inc. with the support and backing of BCICA wherever possible.

The newest company to join BCICA is **Sprint Installations Ltd.** With a combined experience “on the tools” of over 45 years, Jesse, Riley and Pat McGee of Sprint Installations Ltd. have youth, experience and history that will surely add to the professional ranks of BCICA. Having met all the requirements of a QAC Certified Contractor, Sprint Installations Ltd. joins the professionals that have opted to invest in themselves, their company and the MI industry. Welcome aboard and congratulations for joining BCICA, the voice of professional mechanical insulation contractors, committed to *“saving energy for the future”*.
