- Tight 5 Contracting Ltd.
- All Therm Services Inc.
- Winroc-SPI
- Nu-West Construction Products
- Shurfit Products Ltd.

Stars Align

As they say, once in a while the stars align, and an event takes place that signals the rejuvenation of an organization, and the recognition among its members that they share a unique bond within their industry. The BCICA 60th Anniversary Christmas Party, held at the River Rock Casino Resort in Richmond on December 8, 2018, may someday be considered such an event, one that marks the revival of one of the oldest trade associations in Canada.

It is hard to put excitement into words, but the feeling in the room was one of comradery, of respect, of appreciation among competitors who, at least for that evening put aside any rivalry and instead, enjoyed the pleasure of meeting each other over a glass of wine while talking about friends, family and the future.

Prizes Galore

A selection of gift baskets from the best wineries in the Lower Mainland and Fraser Valley were on display too as attendees checked their tickets to see if they won. Every table had at least one winner (there were more prizes than tables) and everyone was included in the final draw to win the 60th. Anniversary grand prize. In keeping with a "buy local" theme, Harrison Hot Springs Resort provided a two-night package, including breakfasts, for the finale. André Pachon was the lucky winner who, it can be said, will surely enjoy the opportunity to relax in the hot springs as he considers his next hunting or fishing trip. Well done André.

Every Picture Tells a Story

Next Year

The RRCR has already been booked for next year so now would be as good a time to mark your calendar for Saturday December 7, 2019, in the Thompson Room (seating limited to 76 and we expect to fill it). More prizes, photos with Santa, drink tickets (working on that) and a microphone and podium will be part of the evening experience (we may even script it).

Worried that your children will miss out? Well there is a great pool and indoor water slide so there is no need to forgo quality time with family. If you are coming from the airport it is easy to get to the RRCR via sky train from the airport. But you say that you want to shop too! It is easy and safe to take the sky train directly to downtown Vancouver for that special shopping experience.

No excuses. See you next year.
