Origin: 3/10

Purpose: Provide a mechanism to recognize newly certified CPAN and CAPA nurses in South Carolina.

Policy:

1. Upon official notification from ABPANC (twice a year), the President will be responsible for notifying the Membership Chairperson of the names of the SC nurses who has passed the CPAN and/or CAPA exam.
2. The Membership Chairperson will then send a congratulatory letter signed by the President (see Forms section), the appropriate CPAN and/or CAPA pin and a holder badge to the newly certified nurses.
