

## **Dublin Trustees of the Trust Funds Scholarship**

Places like Dublin thrive because on a daily basis people care about their community. This attention to civic responsibility takes on many different forms and, in turn, this range of civic engagement helps to define the character of our town. Because the people of Dublin believe that education is one factor in maintaining a strong community we are pleased to offer the Dublin Trustees of the Trust Funds Scholarship, two scholarships of \$1000 each that will be awarded to legal Dublin residents who are continuing their education beyond secondary school. The Scholarship Committee will consider both academic merit and financial need. Interested applicants should submit the following materials:

- The Dublin Trustees of the Trust Funds Scholarship Application Form
- Transcripts – completed high school transcripts; current college transcripts for applicants who are re-submitting or have already continued beyond high school
- The Expected Family Contribution (EFC) from the most recent FAFSA form filed
- Two current recommendations
- A statement (no more than 500 words) addressing your past, present and/or future involvement in civic life (see the application form)

**Note: Applicants submitting for a continuing year of support must submit a new statement and at least one new reference**

All materials must be typed and received **no later than Friday, May 12, 2018**. (Please retain a copy of all materials submitted for your own records.)

Please send all materials to:

The Trustees of the Trust Funds  
PO Box 127  
Dublin, NH 03444

Recipients will be **notified by Friday, June 1, 2018**.

Please direct questions to the following committee members:
