# SSS Goals

Getting off to a good start, receiving good grades, and succeeding in college are goals of all college students.

The primary goal of the SSS program is to provide the participant with the personal attention to achieve success in their college career, to graduate and transfer to a 4-year institution. The SSS staff strives to help students improve the quality of their life both academically and socially.

The SSS program is available to help meet the unique needs of eligible students. Students must qualify for the program in one of three ways:

- First generation student status (neither parent has received a bachelor's degree).
- Income eligible.
- Physical or learning disability.

## Our Location

The SSS program is located in the Tutoring Center, Room 130 of the Academic Building. The SSS staff includes the director, a retention counselor, a math/science specialist, a reading/English specialist, and an administrative assistant.

You can reach the SSS program by calling:
