FACE YOUR (KNITTING) FEARS

Teacher: Theresa Gaffey

\$65 | ADVANCED BEGINNING LEVEL

WEDNESDAYS 6-8PM

SEPTEMBER 6, 13, 20, 27

Have a project you've been afraid to look at in a while because it's seriously messed up? Maybe you put it down months ago and don't know how to get back into it? Or maybe you covet knitting a pattern you've seen on Ravelry but you're not sure you have the skills to start, much less complete it. Theresa Gaffey to the rescue! Our resident knitting master will patiently guide you through your fears, helping you start and/or finish a project. It's the perfect way to jumpstart your fall knitting!

DIVIDE

Teacher: Gretchen Funk

\$80 | INTERMEDIATE LEVEL

THURSDAYS 6-8PM

SEPTEMBER 14, 28 & OCTOBER 12, 26 & NOVEMBER 9

One of the most beautiful Brooklyn Tweed designs we've seen in quite some time. Gretchen Funk has been knitting the sweater in preparation for the class and reports that it's a most satisfying knit as well. We've given you plenty of time to knit in between class sessions, and you should have a finished sweater in time for the cold weather!

BEGINNING LACE: WOOL LEAVES

Teacher: Jamie Bosc

\$50 | ADVANCED BEGINNING LEVEL

SATURDAYS 10AM-12PM

SEPTEMBER 23, 30 & OCTOBER 7

Jared Flood's classic baby blanket is also a great way to learn to knit lace. Bonus: the blanket is knit at a bulky gauge, meaning it knits up quickly. Wool Leaves could easily become your go-to baby gift, and recipients will be mighty impressed (the grownups, anyway).

FEES AND DISCOUNTS

Class fees do not include supplies unless indicated. Class supply lists are available at The Yarnery or via email. The Yarnery offers a 10% discount on class supplies. You will also receive an additional 10% discount card to be used once over the duration of your class; it expires one week after the last class session.

SUPPLIES

Plan on arriving in plenty of time before your first class session to purchase supplies, wind yarn, and get oriented to the shop (though we encourage you to visit the shop a few days before your first class to purchase supplies). If your class is scheduled at the same time the store opens, you'll need to purchase your supplies before the first day of class. A yarn swift and ball winder are available for student use.

CANCELLATIONS

Registration cancellations must be made 7 days prior to the first class session to receive a refund.

Class cancellations may occur, particularly if a minimum student requirement is not met. If this happens, you will be contacted by phone and/or email regarding the cancellation. We will help you find a new class or offer a refund for the original class fee (by check if you paid with cash or check, or on the credit card you used).
