NOVEMBER/DECEMBER 2017

PROJECT / TECHNIQUE CLASSES

PLAID SQUARED

Teacher: Susan Rainey

\$65 | ADVANCED BEGINNING LEVEL

PRE-REQUISITES: KNIT, PURL, INCREASE, DECREASE, PICK UP STITCHES

SATURDAYS 10AM-12PM | NOVEMBER 4, 11, 18 & DECEMBER 2

Learn how to make Susan's blue ribbon felted bag! Susan will provide step-by-step instructions for her innovative approach to entrelac. She will also show you how to apply her technique to other entrelac patterns.

FARGO FELTED MITTENS

Teacher: Theresa Gaffey

\$50 | ADVANCED BEGINNING LEVEL

WEDNESDAYS 6-8PM | NOVEMBER 8, 15, 29

A classic mitten, extra warm because they're felted. Easy to knit, and lend themselves to all kinds of finishing treatments (check out the Felted Embellishments Workshop in December).

FELTED CLOGS

Teacher: Ted Beverly

\$50 | ADVANCED BEGINNING LEVEL

SATURDAYS 10AM-12PM | DECEMBER 2, 9, 16

A Yarnery classic: quick to knit, a perfect Christmas gift. The slippers knit at a bulky gauge, and felt down to a fabric that is sturdy, warm, and wearable.

SEAMING WORKSHOP

Teacher: Theresa Gaffey

\$20 | BEGINNING LEVEL

SATURDAY 10AM-12PM | DECEMBER 9

Don't let seaming dissuade you from trying a new pattern, or knitting a sweater. A few easy techniques will give you the confidence needed to finish garments more beautifully. Theresa will demonstrate a few of her favorite methods.

BLOCKING WORKSHOP

Teacher: Lynda McArdell

\$20 | BEGINNING LEVEL

SATURDAY 10AM-12PM | DECEMBER 16

Take this class! It's that simple. Blocking your knitted items is the difference between beautifully finished and amateurish knits. And it's not hard! Our resident finisher, Lynda, will show you how different projects and fibers react to methods of blocking.

NEEDLE FELTING EMBELLISHMENTS WORKSHOP

Teacher: Greta Hammelman

\$20 | BEGINNING LEVEL

MONDAY 6-8PM | DECEMBER 18

If you've knit any felted piece (mittens or slippers, for instance), add excitement with needle felted embellishments. Greta is new to The Yarnery, and creates wild and wonderful felted creatures and hangings. You'll see more of those soon! In the meantime, this is a great way to begin.

BYWAY

Teacher: Paul Neary

\$50 | ADVANCED BEGINNING LEVEL

WEDNESDAYS 6-8PM | DECEMBER 6, 13 & JANUARY 3

Another teacher new to The Yarnery, Paul comes to us from a stint as a teacher at Purl SoHo in New York. We're thrilled to have him! Paul loves Brooklyn Tweed's Quarry, and chose Jared Flood's beautiful cabled wrap as his first class. There's lots to learn, and because it's knit with bulky weight Quarry, Byway will fly off your needles.

CLASSES

OCTOBER 2017

PROJECT / TECHNIQUE CLASSES

KIDS KNITTING WORKSHOP

Teacher: Jamie Bosc

\$25 + SUPPLIES | BEGINNING LEVEL | AGES 8-15

SATURDAY 1-4PM

OCTOBER 7

An afternoon for kids to master a new skill (we all know kids are fast learners). They'll learn the basics: casting on, knitting, binding off, and end up (hopefully) with a dishcloth. No parents allowed!

FIX YOUR MISTAKES

Teacher: Ted Beverly

\$35 | ADVANCED BEGINNING LEVEL

SATURDAYS, 10AM-12PM

OCTOBER 14, 21

Mistakes: we all make them, but don't always know how to fix them (in knitting and life). We can only fix the knitting ones in this class. The first week we'll concentrate on the basics: dropped and twisted stitches and the like. The second week we'll delve into thornier issues: fixing more complicated stitch patterns. You'll gain serious skills, and feel more confident trying more complex projects.

INDIGO FROST

Teacher: Gretchen Funk

\$65 | INTERMEDIATE LEVEL

PREREQUISITES: INCREASE, DECREASE, KNITTING IN THE ROUND

THURSDAYS 6-8PM

OCTOBER 19 & NOVEMBER 2, 16, 30

One of our most popular shop models from one of our favorite designers, Isabell Kraemer. Not quite a poncho, not exactly a sweater: what it is a whole lot of fun to knit, and it's the perfect intro to 2-color yoke knitting. The pattern was designed using Cascade 220, and we knit our sample with Brooklyn Tweed Shelter. Choose whatever works best for you.

PARIS'S BRIOCHE SCARF

Teacher: Peggy Lexau

\$65 | INTERMEDIATE LEVEL

THURSDAYS 6-8PM

OCTOBER 26 & NOVEMBER 2, 9, 16

Two-color brioche is having a moment, and some of the latest patterns are gorgeous. Paris's Brioche Scarf is no exception (check it out on Ravelry). Peggy Lexau is our Queen of Brioche, and there's simply no better way to learn this technique than a class with her as the teacher.

THORN STITCH SOCKS

Teacher: Peggy Mann Rinehart

\$65 | INTERMEDIATE LEVEL

PREREQUISITES: KNITTING IN THE ROUND

SATURDAYS 10AM-12PM

OCTOBER 28 & NOVEMBER 4, 11, 18

Learn to knit toe-up socks using the thorn stitch (a two color slip stitch) on the instep and leg. We'll begin with Judy's magic cast on and build a toe using mirrored increases. The heel will be worked using short rows and we'll join the heel to the instep and using the thorn stitch worked in a circle. So many skills to learn, and our newest teacher, master knitter Peggy Mann Rinehart, has developed this pattern to create socks that knit up beautifully.
