**Math Skills. Critical Thinking.**  
**Research & Writing. Increased Cultural Learning.**

**Big concepts. Big expectations. Our Grade 4 to 7 students learn how to meet those expectations.**

At Xetólacw Community School, we deliver strong academics alongside Lílwat7úl traditional teachings to our Intermediate students. We foster self-esteem by creating a deeper understanding of what it means to be Lílwat7úl. The result? Confident kids with the skills to succeed.

## **A Second Language. Cultural Teachings.**

### **Fun. A Strong Foundation for The Future.**

**Children learning what it means to be Líl'wat7úl  
in our traditional language. It's a beautiful thing.**

At Xe'tólacw Community School we offer Ucwalmícwts Immersion education to students aged 4 to 8 years old. Through dynamic curriculum and celebration of Líl'wat7úl culture, we create confident kids. By learning about our past, they learn to care about their futures.
