

Winter Hill Farm Heirloom and Specialty tomato CSA

Are you a serious tomato lover? Do you crave fresh, vine-ripened heirloom tomatoes all winter? Could you eat tomatoes every day in the summer? If you answered yes to these questions, our tomato CSA is for you!!!

Starting the first week of August, our tomato shares will include 5 lbs of tomatoes weekly. (If 5lbs of tomatoes sounds like a lot, let me just say that we grow some varieties that weigh 2-3 lbs each!). Find a neighbor to share with, if you think it may be too much for you and your family, but I guarantee that I consume at least 10 lbs per week, easily. Think fresh salsa, think caprese salad, think tomato sandwiches, think pasta!

Shares will differ from week to week. Some weeks it will be exclusively heirlooms. Some weeks, lots of cherry tomatoes. Other weeks may include saucing tomatoes (aka canning tomatoes, plum tomatoes, etc). Most weeks I will also include bonus items, such as fresh basil, onions, cilantro and peppers, so that you may make fresh pasta sauce, or salsa.

You will receive your tomato share for 10 weeks. The cost of the share is \$150. (Remember, you will also be receiving bonus produce through the season and may request larger quantities of saucing tomatoes as well). Our tomatoes are grown organically (certified through MOFGA) and the highest quality around. To sign up, please fill out the order form and send it in along with your payment.
