

Lap Lane Policy

The lap lanes are reserved for adults (21 & over) & Bexley Pool Staff during normal swim hours of 12:00-9:00pm.

1. Patrons under the age of 21 may use the lap lanes for lap swim only if there are no adults using them. The lifeguard will inform the under age swimmer of the policy.
2. If an under age patron is in the lap lane and an adult wants to use the lane, the adult must let the lifeguard know they would like to use the lane and the lifeguard will let the under age patron know they need to exit the lane.
3. Lanes are NOT for individual use. If there are more than two adult swimmers, lanes must be shared. The maximum for each lane is 2 swimmers.
 - a. A total of 3 swimmers per lane are permitted so long as all swimmers in that lane agree to share.
4. During Work Hour Swim for Adults (M-F, 5:45-6:30pm), an extra lane will be added for lap swimmers 21 and under. This lane will remain in the pool until the end of the day for adults.

Adult Patron Waitlist Sign In Sheet

(Located at the Lifeguard chair by the lanes)

1. When the lap lanes are occupied with 4 or more swimmers, there will be a waitlist sign in sheet for adults waiting to use the lanes.
 - a. This is to help prevent any confrontations on which adult is next to use the lanes.
