Tree Marked with Ribbon:

Counterpart Tree with Label:

Tree Treasure Hunt Instructions

1. Walk the Jeffrey Mansion Grounds in search of trees wrapped in blue ribbons (hint: the trees are approximately marked on the map!)
2. Identify the type of tree. (hint: each of the 5 species selected has a counterpart somewhere on the park's grounds that is already labeled)
3. Mark the tree on this map along with your best guess of the tree species and either turn this in at City Hall, or email your conclusions to communicator@bexley.org.

If you guess all 5 trees correctly, your name will be listed in the Bexley Blast and you will receive a tree-inspired prize! Good luck!
