To all Public Servants' future and present:

For many years the Central Ohio Labor Council, AFL-CIO has endorsed and contributed significant resources to men and women seeking election and re-election to public office because we take our duty to service our members very seriously and the political process impacts our ability to successfully perform that task.

Through the endorsement sessions over many years we have discovered that many people who are seeking or currently hold public office do not understand our terminology or why we take a stance on particular issues.

To help you to better understand those vitality important issues we have scheduled meetings on April 14, 2016 at 10:00am-Noon or 6:00pm to 8:00pm at 1545 Alum Creek Drive, Columbus, OH 43209.

Please RSVP at 614-257-1920 by April 12, 2016. We hope you will take the time to attend one of these sessions.

Sincerely yours,

Dave Caldwell
President
