

## 2016 City Council Parks and Recreation Goals

### **Jeffrey Mansion goals:**

- Support the expansion of the Mansion to accommodate increased preschool capacity
- Explore options to increase parking facilities at Jeffrey Mansion to support regular activity participation
- Investigate the potential for further expansion of the Jeffrey Mansion facilities with an eye toward expanding services. Evaluate proposals for cost and effectiveness.

### **Recreation/Athletic goals:**

- Support the evaluation and implementation of the plan for construction for the new athletic field space
- Provide support for the completion of the connection of the Alum Creek trail with stairs addition

### **Community and Parks goals:**

- Create and implement a plan for adding new dog recreation options in the community with the help of a citizen task force
- Provide leadership in creating new education programs that involve the community in our parks system; encourage community involvement in developing programs that utilize our existing parks
- Work to create a Master Plan for Commonwealth Park that addresses the need for more permanent facilities
