

## **Bexley City Council Finance Committee Goals 2016**

### **Primary Goal:**

- To continue to ensure Bexley's financial stability and sustainability for present and future needs, and to promote transparency of City finances

### **Sub-Goals:**

- To maintain a healthy and balanced budget
- To explore possibilities for expanding public access to financial reports
- To facilitate opportunities to educate the public on City finances and financial priorities
- To explore the possibility of setting aside funds for the Rainy Day Fund on at least a semi-annual basis.
- To explore and foster public/private partnerships where appropriate
- To investigate and be a local leader in combining efforts with other municipalities and agencies to reduce costs/increase buying power
- To conduct a thorough review of the City's strategic goals prior to beginning the 2017 budgeting process in order to align financial allocations with City goals
- To consider, in conjunction with City administration, the potential for annual audits
