Mayor Ben Kessler
City of Bexley
2242 East Main Street
Bexley, Ohio 43209

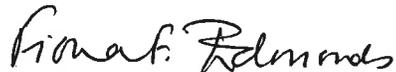

Dear Ben,

This letter is to convey my full support and approval of any ordinance established by the City of Bexley to make it illegal for drivers to use any hand held device while driving. Good idea to build on the present ban on texting while driving - difficult as that is to enforce.

The problem as you and Chief Rinehart state, is appalling; heads down - whether you are walking on the sidewalk, driving, crossing the road with a baby carriage, stationary at a stop sign, and so on. I admire and thank our City Council members tackling this serious and dangerous problem.

If people obeyed the law, were responsible, and considerate of others they would not need a "mother of the citizens of Bexley."

Thank you and Sincerely,

Fiona F. Edmonds
