Strategic Committee:
Lori Ann Feibel, Steve Keyes, and Richard Sharp
Bexley City Council Meeting
January 10, 2017**

PROPOSED 2017 GOALS:

Southwest Bexley Master Plan:

Continue collaborate effort with vested community partners to successfully create a Southwest Bexley Master Plan that both meets the needs of our current citizens while striving to support a thriving future for our City.

Ferndale and Mayfield Revitalization:

Sustain the efforts of our administration, Council, CIC, the Recreation Department and the Southwest Bexley Master Plan Steering Committee in successfully enhancing the quality of life, safety, and aesthetics in this area of our City.

Retreat Goal Accountability:

1. Assist Council in assessing and prioritizing retreat goals for this year as well as re-evaluating those created in 2016.
2. Encourage a collaborative Council effort to create a legislative action plan for each goal.
3. Timeline and benchmark council goals.

City's Strategic Plan:

Provide assistance to the Mayor as he undertakes updating the City's Strategic Plan.

Strategies to Strengthen Bexley's Northern and Southern Boundaries:

1. Encourage the cooperative development of an aesthetic, safety, and developmental blue print for the Livingston Corridor.
2. Continue conversations with the City of Columbus to advocate for safety and aesthetic improvements made along the Cassady Corridor north of our City.
