

Service and Environment Committee Goals for 2017-18

Members: Mary Gottesman, Chair, Troy Markham, Lori Ann Feibel

1. Continue to provide improved lighting in alleys and identified to assure public safety.
2. Continue to identify the need for an increased number of public waste receptacles along major streets in the city.
3. Complete the development of a Zero Waste Management Plan for Bexley.
4. Provide 2-3 public forums for residents regarding the Zero Waste Management Plan.
5. Identify and develop resident educational sessions to support residents in improving their waste management to commence in fall 2017.
6. Assure adequate funding for street and alley replacement and maintenance.
7. Evaluate the cost and benefits of creating an Energy Special Improvement District (ESID) for residents supporting the adoption of solar energy for residents' homes.
8. Create a Bike Interest Group of residents supported by a paid consultant to achieve designation of Bexley as a Gold Level Bike Friendly City.
