Hours of Operation: COVID Update
Bexley Recreation is located in Jeffrey Mansion on the 3rd floor. Business hours are Monday through Friday from 8:00am – 4:30pm, but the building is currently closed to the public due to COVID. We are conducting business over the phone, online and also accepting appointments. Please contact us at (614) 559-4300 or by email recreation@bexley.org. You may also find information at www.bexley.org/recreation.

Bexley Recreation Board
The Bexley Recreation Board consists of six Bexley residents appointed by Mayor Kessler. The Bexley School Board recommends one member. Board members volunteer for a three (3) year term and meet a minimum of once a month. Board meetings are held the first Wednesday of each month at 5:30pm at City Hall. The public is invited to attend.

Jeffrey Park
Jeffrey Park consists of nearly 40 acres, including the two Commonwealth Parks located on the east side of Parkview Avenue. A large portion south and west of Jeffrey Mansion is a natural woodland traversed by walking trails. Alum Creek forms the park’s western boundary. Other recreation opportunities include a play apparatus for children, two tennis courts, picnic areas with grills, a play field and the community aquatic facility. Jeffrey Park is open for visitors to enjoy daily from dawn until dusk.

Program Information
This brochure does not necessarily contain all of the activities that will be sponsored by the Bexley Recreation Department. Contact us or visit us online for more program information. You may also find program and event information in This Week Bexley News. Bexley Recreation reserves the right to use photographs taken in classes and programs to be used in advertisements and brochures for the Recreation Department.

Payment Information
Payment is required for all programs at the time of registration. Registration for classes must be done before a class begins. No drop-ins or registration at time of class are allowed.

Dear Bexley Community,

We hope this finds you all safe and well during these difficult times. As we all work to navigate though this pandemic, we want to convey to our community the efforts we have made and will continue to make as we provide opportunities for individuals and families to stay active and connected in a safe environment.

When the pandemic first hit, little was known about COVID-19. As everything began to shut down, we developed the facebook page Bexley Recreation at Home (BRH) in an effort to keep the community connected safely. BRH was created to provide video classes, community challenges, arts and crafts projects, links to outside content and more as we tried to provide outlets for our community during the shutdown.

As the weeks have gone by; we have learned more about COVID-19 and we have worked to stay current on local, state, and federal orders. We have researched and implemented recommended safety measures as we try to offer safe in-person programming opportunities. We continue to evaluate our regular program offerings to identify which programs can be augmented and offered safely and which programs cannot be offered in the current environment. Just like other communities and organizations, we have had to make tough decisions about offering programs in a safe environment. We have instituted local health officials safety guidelines in any current offerings and oftentimes have/will take additional steps in the interest of doing everything we can to minimize the safety risk.

Every day new information changes what we know about COVID-19 and how best to proceed. As a result of the very fluid situation, we have decided to think about our program offerings in shorter increments of time, making it easier for us to adapt to changes. Normally, we have a Fall Activity Brochure that covers program offerings from August through December. The uncertainty caused by COVID-19 means planning now for programs October - December is not possible. As a result, this activity brochure issue 1 only covers August through September and we will create an issue 2 in October that will cover programming through December.

We will continue to error on the side of safety and will ask participants to perform self-health checks, including temperature checks, before attending any programs. Parents/participants will have to be vigilant to not attend programming if they exhibit any symptoms and to communicate any issues that arise. We will have policies and procedures in place that have been approved by local health officials, designed to limit, not eliminate, exposure and we will be transparent in our communication with participants regarding any COVID-19 issues. All programs, other than daycare, will all be held outside in open air facilities structured to maintain social distancing at all times. When possible, in addition to in-person, we will provide virtual program options.

We can’t thank our community enough for their continued support and understanding as we all do our best to navigate through these times. Thank you for your flexibility as the best of plans are subject to the change of COVID-19. We will continue to prioritize safety as we work to find ways to serve our community. Stay safe and healthy, and please don’t ever hesitate to reach out to the Recreation and Parks Staff if there is anything we can do to help. We will get through this together!

Sincerely,

Michael Price
Recreation and Parks Director
Registration FAQ

When does registration open for Issue I activities?
Bexley resident activity registration opens Aug. 10, 2020 at 12:00pm and Non-Bexley resident registration opens Aug. 12, 2020 at 12:00pm.

Issue II activity registration will include all other activities opening in October, November, and December. This brochure is expected to come out to the public the first week of October.

How do I find the registration page?
Go to www.bexley.org/recreation and click on the “Recreation Online Registration” icon.

How do I register for a program?
You are not able to enroll in an activity until you have set up an account for your household. Click on “request account” to enroll yourself and/or your family into the system.

How can I search through activities?
You can search activities by the type of activity, the activity age, the activity name, or by scrolling through the entire list of available programs.

Are there any registration fees?
Yes. You will be charged a flat rate of $0.50 each time you register and pay online for one or multiple programs. You will also be required to pay half of the 7.31% convenience fee (3.65%) that will be added onto the total program cost listed on your receipt. (The Recreation Department will cover the other 3.65% of the convenience fee.)

Is there In-Person registration?
No. Due to COVID-19, we will not be doing in-person registration. We will only be offering online registration. If you encounter issues, please call us and we will assist you over the phone. Our office hours are Monday through Friday (8:00am - 4:30pm).

COVID-19 Information
The BRPD is very serious about COVID-19 as we begin to return to in-person activities. We will be following all federal, state, and local guidelines as it relates to outdoor/in-person programs to ensure the safety of our participants, instructors, coaches and spectators. In many cases, spectators will be limited per activity. It is also very possible that different activities will have different safety measures in place based on the structure of that activity. All activities will have a COVID-19 disclaimer that must be acknowledged by the participant or guardian upon registration. We have always prided ourselves on offering the best activities to our community and we will continue to do so in the safest way possible! We will look to parents and adults to help us adhere to the guidelines during activities so that we are keeping Bexley safe and can continue to offer more activities as the year progresses.

COVID-19 Related Refunds
If the BRPD at any point is forced to shut down in-person activities due to COVID-19, we will first try to pivot to online (Zoom) if able. In the event we cannot hold a class online, then we will issue credits or refunds.

Activity Policies

Cancellation & Refund Policy
To receive a full refund, you must cancel participation in an activity no later than two (2) weeks prior to the start of the activity. A 5% processing fee of the activity cost will be charged for all refunds. You do have the option to take a full refund with the processing fee or you may credit your account with no processing fee. Refunds will not be given once an activity has started.

Refund Exceptions
For any changes made by Bexley Recreation after an individual has already registered for the activity (i.e. Change in activity dates, times, and/or costs, or class cancellation), a full refund will be applied. Not subject to changes that are beyond our control.

Credit Policy
If an activity is dropped within 2 weeks prior to the start of the activity, the fee originally paid may be kept on your account as a credit. This credit will only be granted if the drop does not take the class registration below the class minimum or the class is waitlisted and we are able to fill your registration spot. There is no service fee for a credit.

Waitlist Policy
Participants will automatically be placed on a waitlist if an activity has met its maximum capacity.

Activity Cancellation Policy
If an activity is canceled by Bexley Recreation for inclement weather, the department will try to reschedule the activity. If unable to do so, participants are not entitled to a prorated refund.
**RENTAL INFORMATION**

### Jeffrey Mansion Rentals

Jeffrey Mansion will be undergoing a renovation & expansion project that will enhance the current space as well as add new space to the north garage court. We are extremely excited about this project and what it will bring to our community!

#### 2020 Rentals On Hold (1st Floor Space)

We unfortunately are not taking rentals in 2020 due to needed space requirements for our programs.

#### 2021 Rentals

At the culmination of this project (end of 2020), we will still have our 1st floor space (Jeffrey House) and a new lower level space (Carriage Court) for programming and events. We are currently taking reservations for March 2021 and on (up to one year in advance) for the Carriage Court and Jeffrey House.

**Fee Structure**

Please visit www.bexley.org/facilityrentals for all of our fees for 2020 and 2021.

**COVID-19 Policies**

All events will be required to follow the most current federal, state and local guidelines. As this is a fluid situation, it is not out of the question that scheduled events for 2021 may be asked to postpone or cancel. If BRPD is forced to close the facility, a full refund will take place.

### Shelter House Rentals

**COVID-19 Policies**

We are currently taking reservations for the Memorial Shelter House only. The capacity has been reduced to 40 people with only 6 picnic tables available. Masks will be strongly recommended and social distancing practices must be in place for the event.

**Memorial Shelter House (165 N. Parkview Ave.)**

Capacity: 40 (adjusted from 100)

The Shelter House is open for reservations any day of the year, by Bexley Residents only, except on days Bexley Recreation has a scheduled event. There is a serving area for food and two family size grills on the east side. Private grills may not be brought in without prior approval. Men's and women's restrooms are located on the east side.

**Shelter House Hours & Rates**

All rentals must be approved via phone or email. In-person reservations will not be accepted.

Hour minimum: 2

Fee: $20/hour (paid in full at time of reservation)

COVID-19 Information
JMP staff have been working with the Ohio Department of Job and Family Services as well as Franklin County Public Health for all COVID-19 related safety measures. The 2020-21 school year is taking place as scheduled with some modifications to classrooms (including creating additional rooms if needed) to adhere to max room capacity.
Date: Aug. 20, 2020 - June 3, 2021  Grade: K - 5th
Day: Mon. - Fri.

We are excited to continue to provide the Before/After Care Program for Maryland, Cassingham, and Montrose students for the 2020-21 school year.

Registration Dates (Returning & New Families)

All returning and new families will be required to complete paperwork before a child can attend BACpack. All registration will be accept via email, fax, or in-person at the Rec Office, but will be subject to availability.

COVID-19 Information

The above information is what a typical year would look like for BACpack. Due to COVID-19, currently we are working with the schools to see if the program will fit within their guidelines as well as their space. Since COVID-19 is a constantly changing situation, we will be keeping up with those changes as they come. Please contact Katie Sarvas with any further questions. You may also want to keep an eye on our website for more updated information. It is entirely possible that we may not be able to offer this program for the 2020-21 school year.

BACpack & SOCO Information & Contact

For forms and information on either program, please visit our websites at www.bexley.org/bacpack or www.bexley.org/soco. Contact Katie Sarvas for additional questions: (614) 559-4300; ksarvas@bexley.org

SOCO is designed to meet the needs of parents and the energy of kids by offering a safe and fun camp-like experience for kids to attend when school is out.

Fall to Winter Dance Registration

There is no recital for the Fall Dance Program. All participants who are enrolled in the Fall Dance Program will have the opportunity to register early for the Winter Dance Program, which includes a Spring Recital. To qualify for early registration, you must be registering for the exact same class as enrolled in for the Fall Dance Program (same time, day, instructor). You will receive an email notification when early registration opens.

Dance Instructors:

**Jennifer Zmuda** has a Masters of Fine Arts with a Choreographic Emphasis from the University of California, Irvine and a Bachelors of Fine Arts with a Teaching Emphasis from the University of Utah.

**Mackenzie Hanna** has worked with children of all ages as a teacher of both dance and Spanish. She has been dancing since high school starting on the Gahanna Lionette Dance Team. NFL Flag Football

We will not be holding a NFL Flag League this season, but we are looking into other options:
Due to the current State of Ohio guidelines regarding contact sports, we have decided to cancel our Bexley Recreation NFL Flag Football league. We will continue to monitor guidelines from the state and re-evaluate the league status over the next several weeks.

Bexley Recreation is working with Roger Harper to create an instructional NFL Flag camp. As soon as the instruction NFL Flag Camp is finalized we will email past participants and advertise the dates and times.

Youth Cheerleading

Come learn the fundamentals of cheerleading at Bexley Recreation. Each Sunday, Bexley Youth Cheerleaders will learn new cheers and skills. Cheerleading will be held at the Clifton Shelter House. All participants will receive a cheerleading program t-shirt for the performance in front of parents at the end of the activity. Cheerleading Orientation will be Sun., Aug. 30 from 12:30 - 1:30pm at the Clifton Shelter House.

General COVID-19 Information

The BRPD is very serious about COVID-19 as we begin to return to in-person activities. We will be following all federal, state, and local guidelines as it relates to outdoor/in-person programs to ensure the safety of our participants, instructors, coaches and spectators. In many cases, spectators will be limited per activity. It is also very possible that different activities will have different safety measures in place based on the structure of that activity. All activities will have a COVID-19 disclaimer that must be acknowledged by the participant or guardian upon registration. We have always prided ourselves on offering the best activities to our community and we will continue to do so in the safest way possible! We will look to parents and adults to help us adhere to the guidelines during activities so that we are keeping Bexley safe and can continue to offer more activities as the year progresses.

COVID-19 Related Refunds

If the BRPD at any point is forced to shut down in-person activities due to COVID-19, we will first try to pivot to online (Zoom) if able. In the event we cannot hold a class online, then we will issue credits or refunds.

More activity policy information can be found on page 5.
Youth Activities

Fall 2020 Rec Soccer (Under 6 - Under 10)
Dates: August 29 - October 25
Cost: $110
$10 Late Fee will be assessed if registered after Aug. 1, 2020

We are excited to continue our partnership with Columbus East Soccer Association (CESA) for youth soccer programs. Both Bexley Rec and CESA have a long-standing tradition in the community of providing accessible, well-structured soccer programming and this merge will foster better opportunities and allow soccer development in Bexley to climb to new heights.

Under this new arrangement, the under six (6) program will now take place exclusively at Wolfe Park. The under seven (7) through under ten (10) programs will continue to be held at the CESA fields at Easton. Bexley Rec will continue to support the program through practice space for all ages and game space for the 6U program, as well as through feedback on the day-to-day operations and programming.

Questions? Contact Kevin Smith at ksmith@bexley.org.

CESA/BRPD Prep Academy Program
Location: Commonwealth Park East
Dates: August 29 - October 25
CESA/BRPD Members: $125 ($150 non-members)
Club soccer commences at the Under-8 level. This program helps those pre-club age players who are interested in bridging the move more effectively from recreational soccer to club level. CESA Prep Academy’s mission is to develop creative, skillful, technically sound, adaptable soccer players who understand, love and appreciate the game. Columbus East FC emphasizes a player development coaching model.

The CESA/BRPD Under-6, Under-7 & Under-8 Prep Academy is an add-on to the CESA Recreational, U6, U7 and U8 programs. The Prep Academy, run by Columbus East FC coaches, is a youth soccer development program for more serious and better skilled CESA players. Participants will be provided with an additional one-hour practice session on Friday evenings at CESA Easton Fields, several games/scrimmages, a home and away practice jersey, shorts, and socks. The Prep Academy players will be expected to wear their soccer kit for each practice session, and also for the scrimmages that will be played amongst each other throughout the season. Prep Academy players will still also be expected to join their CESA recreational team for practice during the week and league game every weekend.

In 2013, the annual Splish, Splash and Dash Bexley Youth Triathlon was born. Over the past eight years, the youth in our community have embraced this program and taken it to heights that we didn’t know existed. Bexley Rec is incredibly proud to be able to facilitate an annual event where kids of all ages come together to compete against one another, while trying to accomplish a common goal: finish the race as fast as you can.

As we continue to adapt to our ever changing environment, we are going to be providing our community with the opportunity to do something that is a bit different, but aligns with the spirit and mission of the Splish, Splash and Dash: accomplish a common goal.

From August 22nd - September 22nd, we are going to team up as a community and “race” from coast to coast (and back). Whether you are running, biking, swimming and/or walking it doesn’t matter as participants would log all of the miles completed in an online application. Our community goal is 6,000 miles in that month-long period. Let’s team up, stay active, and reach this community goal together!

This program has continued to be supported by the Bexley Community Foundation - Youth and Recreation Fund.
Gentle Yoga

Location: Zoom Online  
Instructor: Tann  
Cost: 32  
Age: 18+

This is a calming, stress-relieving yoga class to stretch and strengthen the body gradually. Emphasis is on building awareness of the breath and the body. Yoga shapes are practiced at a slower pace with attention to alignment and detail. Recommended for all levels looking for a soothing, relaxing, and restorative experience, especially those newer or working with special concerns or injuries. Regular yoga practice will help you cultivate self-awareness, contentment and joy.

Black Diamond
Online Seminar Series

Session led by Jason Black, Bexley resident and owner of Black Diamond Financial Group. These Sessions will be held on Zoom Meetings

Blocking & Tackling: The Basics of Financial Planning

Lunch & Learn

8/12 @ 12 PM

SilverSneakers FLEX® BOOM MOVE™

As a coach of multiple sports I am often reminded that the essence of great teams is that they simply execute the basics of the sport. Basics; like blocking and tackling in football, shooting and sprang in basketball, and passing and catching in lacrosse, are essential for success in sports. The same is true in Financial Planning. Whether you are working with a Financial Coach, Planner or Advisor, you can also have great success by executing the basics. In this seminar we will discuss what the basics of financial planning are and how to execute them so you win.

Market Volatility

Today could be one of the best performing days in the stock market’s history, or it could be one of the worst. It’s only natural to be concerned when the market drops. And yet, even during turbulent times, you can more comfortably ride out a financial storm if you’re prepared and have sound financial strategies in place. Come to our educational workshop and discover methods that could enhance your investing potential in today’s markets. By using sound investment approaches, you might avoid making emotion-based mistakes during times of volatility.

College Planning

As a football coach, I talk to kids everyday about their goals when they play football. Some of them want to play in college and eventually professionally. However, less than 2% of all high school football players receive an athletic scholarship® so having a backup plan might be a good strategy.

Starting an education savings plan and becoming acquainted with the many options available can help you gameplan for the cost of higher education. This presentation will cover these topics, as well as:

• Section 529 plans
• Coverall accounts
• 529 and UTMA accounts

This workshop will also cover tax credits for education expenses, federal and state student aid programs, and student loan debt relief repayment options.

We will also discuss the different types of scholarships, including athletes, and how they may affect your planning for college.

If you have any questions or concerns, please contact us at

SilverSneakers FLEX® CIRCUIT/INTERVAL TRAINING

NEW! CIRCUIT/INTERVAL TRAINING is an interval type of physical training that involves medium/high intensity exercise alternated with rest periods and is highly effective in conditioning the cardiovascular system while increasing muscle strength.

SilverSneakers FLEX® STRENGTH & BALANCE

Strength and balance is important in everyday life and this class will help you improve your ability to feel strong and stable. Strength exercises may include lifting hand-held weights, stretching resistance tubing and using your own body’s resistance while also using your core muscles to improve balance & stability. Some equipment is provided but please feel free to bring an extra folding chair!

How to Register:

No pre-registration required! Just come to class and pay as you go. ENJOY! Questions? Call Kristen Schweitzer (614) 559-4310 or Liz (614) 314-9082.

SilverSneakers FLEX® BOOM MOVE™

BOOM is a revolutionary new fitness series designed for Baby Boomers and active Older Adults. BOOM MOVE is a higher intensity dance workout class that improves cardio endurance and burns calories. This class is specially designed to help you gain energy. Remember, it’s not just for girls! MOVE it or lose it.

Senior Activities in Bexley & the Bexley Activities Club (55+)

The Bexley Activities Club (BAC) is a membership organization that was created nearly 40 years ago by a group of passionate residents that wanted to plan trips, luncheons and other activities for older adults in Bexley. Today the BAC is open to current and former residents of Bexley age 55+, and annual dues are $15 per person, or $25 per couple. The BAC is governed by a volunteer steering committee that assists with planning activities, membership, entertainment for monthly luncheons and more.

The BAC is governed by a volunteer steering committee that assists with planning activities, membership, entertainment for monthly luncheons and more.

Our Steering Committee includes the following BAC Members:
- President: Linda Miller
- Vice-President: Jo Daugherty
- Treasurer: Paul Miller
- Director-Secretary: Mary Ellen Spence
- Members-At-Large: Felicia Bousquet, Kay Holley, Kent Holley, Bev Matteson, Larry Matteson, Liz Wypasek

Due to the COVID-19 pandemic, large group activities and trips have been canceled or postponed. However, BAC members have organized smaller, outdoor activities including a new walking club, book club, and cycling group.

Walking Club

Walking is a great way to stay active -- and connected to friends and neighbors! It’s the perfect activity to get some exercise and socialize.

We will work hard to maintain a safe distance from one another, but please bring a mask or face covering. Our walks usually average 45 minutes to an hour, and distance is usually between 1-2 miles. Walk as long or as little as you’d like, and feel free to bring a friend!

Since the Bexley Community Foundation began making grants in 2011, donors have enabled the Foundation to award over 200 grants totaling over $1.5 million and ranging from $100-$81,000. The Foundation’s sole mission is to sustain and enhance Bexley as a special place to live, learn, work and play.

In October, 2017, the Foundation announced its first ever Capital Campaign to raise $1 million to support the City of Bexley’s Jeffrey Mansion Project. In October 2018, due to the generosity of the Jeffrey Family and others, the goal increased from $1 million to $1.5 million. The Foundation is thrilled to announce we have passed $1.5 million! The expansion includes adding over 9,000 square feet of usable space to Jeffrey Mansion. Recently, the Foundation announced an additional $250,000 in funding to help restore the porch to the south of the Mansion.

The Foundation enables donors to make Bexley a charitable priority and to join with other donors in maximizing the impact of their individual gifts through its grant programs. Every dollar received from public donations is reinvested in the Bexley community, with 100% of the Foundation’s operating and fundraising expenses paid by the Board, designated gifts, sponsorships and investment income.

Grants from the Foundation for recreation and youth activities have included funding for the two new athletic fields being developed at Schneider Park, including new soccer goals; funding for the north and south community gardens; new shade canopies at the Bexley Pool; the Recreation Department’s Splish, Splash and Dash Youth Triathlon, with over 1,400 participants since 2013; the COSI Science Festival in Bexley; new timing and starting equipment for the Bexley Marlins Swim Team as well as an electronic scoreboard that will be new in 2020; the Park N’ Play program in the summer; the Block Party Activity Kit (BPAK); youth technology workshops; ADA-accessible play equipment for all three elementary school playgrounds; sidewalks and entryway at the Parkview entrance to Jeffrey Mansion; the Cub Scout Pack 166 beekeeping project; the kayak and canoe livery and the Alum Creek Park and Pathway developed along the east side of Alum Creek from Main to Livingston. The Foundation also recently provided 2,000 face coverings to Bexley residents and an additional $10,000 to DARN to aid with COVID-19 relief.
