**Registration FAQ**

**When does registration open for Issue II activities?**
Bexley resident activity registration opens Oct. 5, 2020 at 12:00pm and Non-Bexley resident registration opens Oct. 7, 2020 at 12:00pm.

**How do I find the registration page?**
Go to www.bexley.org/recreation and click on the “Recreation Online Registration” icon.

**How do I register for a program?**
You are not able to enroll in an activity until you have set up an account for your household. Click on “request account” to enroll yourself and/or your family into the system.

**How can I search through activities?**
You can search activities by the type of activity, the activity age, the activity name, or by scrolling through the entire list of available programs.

**Are there any registration fees?**
Yes. You will be charged a flat rate of $0.50 each time you register and pay online for one or multiple programs. You will also be required to pay half of the 7.31% convenience fee (3.65%) that will be added onto the total program cost listed on your receipt. (The Recreation Department will cover the other 3.65% of the convenience fee.)

**Is there In-Person registration?**
No. Due to COVID-19, we will not be doing in-person registration. We will only be offering online registration. If you encounter issues, please call us and we will assist you over the phone. Our office hours are Monday through Friday (8:00am - 4:30pm).

**Activity Policies**

**Cancellation & Refund Policy**
To receive a full refund, you must cancel participation in an activity no later than two (2) weeks prior to the start of the activity. A 5% processing fee of the activity cost will be charged for all refunds. You do have the option to take a full refund with the processing fee or you may credit your account with no processing fee. Refunds will not be given once an activity has started.

**Refund Exceptions**
For any changes made by Bexley Recreation after an individual has already registered for the activity (i.e. Change in activity dates, times, and/or costs, or class cancellation), a full refund will be applied. Not subject to changes that are beyond our control.

**Credit Policy**
If an activity is dropped within 2 weeks prior to the start of the activity, the fee originally paid may be kept on your account as a credit. This credit will only be granted if the drop does not take the class registration below the class minimum or the class is waitlisted and we are able to fill your registration spot. There is no service fee for a credit.

**Waitlist Policy**
Participants will automatically be placed on a waitlist if an activity has met its maximum capacity.
- If spots become available, participants will be notified by phone or email. Please respond as soon as possible if notified about an opening.
- If confirmation is not received within 24 hours, the next available person on the waitlist will be notified.

**Activity Cancellation Policy**
If an activity is canceled by Bexley Recreation for inclement weather, the department will try to reschedule the activity. If unable to do so, participants are not entitled to a prorated refund.

**COVID-19 Information**
The BRPD is very serious about COVID-19 as we begin to return to in-person activities. We will be following all federal, state, and local guidelines as it relates to outdoor/in-person programs to ensure the safety of our participants, instructors, coaches and spectators. In many cases, spectators will be limited per activity. It is also very possible that different activities will have different safety measures in place based on the structure of that activity. All activities will have a COVID-19 disclaimer that must be acknowledged by the participant or guardian upon registration. We have always prided ourselves on offering the best activities to our community and we will continue to do so in the safest way possible! We will look to parents and adults to help us adhere to the guidelines during activities so that we are keeping Bexley safe and can continue to offer more activities as the year progresses.

**COVID-19 Related Refunds**
If the BRPD at any point is forced to shut down in-person activities due to COVID-19, we will first try to pivot to online (Zoom) if able. In the event we cannot hold a class online, then we will issue credits or refunds.
Jeffrey Mansion Rentals

Jeffrey Mansion will be undergoing a renovation & expansion project that will enhance the current space as well as add new space to the north garage court. We are extremely excited about this project and what it will bring to our community!

2021 Rentals
At the culmination of this project (end of 2020), we will still have our 1st floor space (Jeffrey House) and a new lower level space (Carriage Court) for programming and events. We are currently taking reservations for March 2021 and on (up to one year in advance) for the Carriage Court. Due to in-house program needs, the Jeffrey House will not become available for rental until June 2021.

Fee Structure
Please visit www.bexley.org/facilityrentals for all of our fees.

COVID-19 Policies
All events will be required to follow the most current federal, state and local guidelines. As this is a fluid situation, it is not out of the question that scheduled events for 2021 may be asked to postpone or cancel. If BRPD is forced to close the facility, a full refund will take place.

Chess Program

Candidate Master coach Kyle Jones welcomes students of all ages and levels to come learn the storied game of chess. Whether you are just learning the game or an experienced veteran, coach Jones makes sure to integrate all levels into his lesson planning to ensure everyone is able to learn. In addition to the comprehensive lessons, Mr. Jones utilizes a chess playing interface (lichess.org) to provide the students with an opportunity to practice their techniques. Students will meet via Zoom while the instructor shares his virtual chessboard.

In the first half of each class, world champion openings, ideas in the middle game, end game patterns, tactical motifs and elements, and history are examined and discussed. Students may use their own boards to follow along, record notes, screenshot lessons, and/or simply watch the board on their devices! The second half of the class is featured on lichess.org. Once enrolled, students are given access to our private club room to participate in weekly tournament games. The tournament is an arena format that allows students to play as many games as possible within the assigned time limit.

*Bad weather date: Fri., Oct. 9.

Join us this October for the Enchanted Harvest Walk! One of the focal points each year for our normal Harvest Festival is the Enchanted Walk with the characters. Along the enchanted harvest walk, families will see a variety of characters as well as receive some small goodies along the way, so be sure to bring a bag to collect! **Halloween costumes are encouraged!**

**In an effort to comply with COVID-19 guidelines, registration will be required and you will pick a time for your family to attend the event.**

At the end of the walk, there will also be Mikey’s Late Night Slice food truck in the Jeffrey Park meadow and DARN will have donuts and hot chocolate (donations welcome!). There will be picnic tables and marked off spaces for eating while social distancing. We ask that once you finish your food, you exit the event as we will have a consistent flow of families going through the walk every 15-20 minutes.

All proceeds will benefit the Developmental Assets Resource Network (DARN), which has been able to support many families in need during COVID-19. If you would like to contribute more financial support to DARN, donations will also be accepted at the event.

Recommendations for Trick-or-Treat in Bexley

THURSDAY, OCTOBER 29th • 5:30 - 7:00 PM

GUIDELINES FOR TRICK-OR-TREATERS

- Wear a mask appropriate for statewide mask mandates (Costume masks may not count!)
- Follow a one-way counter-clockwise traffic pattern. For example, foot traffic on the east side of the street will head north, and vice versa.
- Please trick-or-treat with members of your household. This year, we recommend against going in groups of friends.
- If someone from a house is not outside, assume they are not participating. Do not knock on doors.
- Bring hand sanitizer and use it often.
- High risk individuals, or those in quarantine or isolation, should not participate.
- If you are able, it is recommended to get a flu shot at least two weeks before Trick-or-Treat.

GUIDELINES FOR TREAT GIVERS

- Candy should be distributed from the sidewalk, not the front door, with a 6’ distance kept at all times.
- Mark one-way indicators on your sidewalk in 6’ increments with chalk, tape, or other indicators.
- If you’re able, spread out individual pieces of candy on a table or other surface, so participants are only touching a single piece of candy.
- If you’re able, avoid communal bowls of candy. At a minimum, please separate types of candy into different bowls to avoid kids picking through.

Halloween Patrol Volunteers

We will still be offering our volunteer program for Trick-or-Treat. Volunteers are assigned to streets throughout Bexley to help patrol and keep the event safe the kids! Register today to volunteer! Register online or contact Kevin Smith at ksmith@bexley.org for more information.

Since the Bexley Community Foundation began making grants in 2011, donors have enabled the Foundation to award over 200 grants totaling over $1.5 million and ranging from $100-$81,000. The Foundation’s sole mission is to sustain and enhance Bexley as a special place to live, learn, work and play.

In October, 2017, the Foundation announced its first ever Capital Campaign to raise $1 million to support the City of Bexley’s Jeffrey Mansion Project. In October 2018, due to the generosity of the Jeffrey Family and others, the goal increased from $1 million to $1.5 million. The Foundation is thrilled to announce we have passed $1.5 million! The expansion includes adding over 9,000 square feet of usable space to Jeffrey Mansion. Recently, the Foundation announced an additional $250,000 in funding to help restore the porch to the south of the Mansion.

The Foundation enables donors to make Bexley a charitable priority and to join with other donors in maximizing the impact of their individual gifts through its grant programs. Every dollar received from public donations is reinvested in the Bexley community, with 100% of the Foundation’s operating and fundraising expenses paid by the Board, designated gifts, sponsorships and investment income.

Grants from the Foundation for recreation and youth activities have included funding for the two new athletic fields being developed at Schneider Park, including new soccer goals; funding for the north and south community gardens; new shade canopies at the Bexley Pool; the Recreation Department’s Splish, Splash and Dash Youth Triathlon, with over 1,400 participants since 2013; the COSI Science Festival in Bexley; new timing and starting equipment for the Bexley Marlins Swim Team as well as an electronic scoreboard that will be new in 2020; the Park N’ Play program in the summer; the Block Party Activity Kit (BPAK); youth technology workshops; ADA-accessible play equipment for all three elementary school playgrounds; sidewalks and entryway at the Parkview entrance to Jeffrey Mansion; the Cub Scout Pack 166 beekeeping project; the kayak and canoe livery and the Alum Creek Park and Pathway developed along the east side of Alum Creek from Main to Livingston. The Foundation also recently provided 2,000 face coverings to Bexley residents and an additional $10,000 to DARN to aid with COVID-19 relief.
