Since 2012, Traffic Supply, Inc. has been a leading wholesale and trade supplier of traffic control and construction safety equipment to the North San Diego region. Independently owned, the four members of our friendly and knowledgeable sales team have better than 120 years of traffic control industry experience.

More than just another barricade company, we stock an extensive line of hardware, posts, paint, tapes, safety apparel and have a full service sign shop with print and cut graphic capabilities.

We are open Monday through Friday 7am til 4pm and our convenient location near the Escondido Auto Park is easily accessible from both State Highway 78 and Interstate 15.
