ASX ANNOUNCEMENT: SALE OF EL 4521 (WIM 150)

Astron Limited shareholders are advised of the announcement lodged by Austpac Resources N.L. with the ASX on 5 May 2010. The contents of the announcement are as follows:

“On 30 March 2010 Austpac Resources N.L. announced that it had agreed to sell Exploration Licence 4521 in Victoria to Astron Limited. The Sale remains subject to Ministerial Approval of the transfer of EL 4521 to Astron.

Austpac has now received notice of proceedings commenced by Australian Zircon N.L. (subject to a deed of company arrangement). Austpac and Astron are named as defendants in these proceedings, in which Australian Zircon seeks orders restraining the Sale.

Austpac has taken legal advice and intends to defend its right to complete the Sale.”

Astron will defend its contractual rights in order to complete the Sale.
