Recognizing Excellence in Commuter Options

Fenway Park

March 26, 2014

Printed on recycled paper

March 26, 2014

Dear Guest,

Welcome to the fourth annual Excellence in Commuter Options (ECO) Awards!

The Massachusetts Department of Transportation (MassDOT) – through MassRIDES and MassCommute – supports Massachusetts employers in their efforts to reduce greenhouse gas emissions through decreased drive-alone trips while encouraging employees to travel to work by transit, carpools, vanpools, or by bicycling or walking.

MassDOT is committed to making Massachusetts a greener place to live; and the efforts of Massachusetts employers to encourage a shared use of infrastructure by offering and promoting sustainable transportation options that help to reduce traffic congestion, promote healthy lifestyles, and benefit the environment, are key components toward that goal and support many policies of MassDOT.

We are pleased to see so many returning faces and so many new faces at this year's celebration. As always, thank you for all of the work you do to make our communities more livable.

I look forward to our continued collaboration in the years ahead. Go Sox!

All the best,

Richard A. Davey
Secretary and CEO
Massachusetts Department of Transportation

Spotlight Winners

Leadership in Innovation
Cell Signaling Technology

Recognition of an employer or institution for the design and implementation of innovative commute options initiatives that positively influence employees and reduce drive-alone travel. Examples can range from creative marketing campaigns, to innovative technological solutions, or unique commuter event promotions.

Rising Star
State Street Corporation

Recognition of an employer or institution that has made significant progress promoting sustainable transportation options through resourceful actions such as employee outreach and education, commuter options and incentives and innovative concepts and collaborative efforts.

Leadership in Commuter Engagement: Outstanding ETC
Don Alger, Allegro Microsystems, LLC

Recognition of an Employee Transportation Coordinator (ETC) at an employer or institution for the individual's efforts that support sustainable changes in transportation, encourage the use of commute options and reduce drive-alone trips.

Leadership in Commuter Engagement: Property Manager
Adam Nagle
Boston Properties, Atlantic Wharf

Recognition of a Property Manager for the organization's use of resources and amenities to engage tenants and commuters in commute options and to reduce drive-alone-trips.

Spotlight Winners

Leadership in Commuter Options:

Recognition of an employer or institution for offering and promoting sustainable commuter options to employees/ students, that encourage the reduction of drive-alone travel through the promotion of a specific commute option.
