

“Add On” Trips

Arise Africa is offering three different “Add On” trips this summer for individuals to take after their mission trips. These trips are planned through our local Zambian travel agents and are incredible. You would need to pay Arise Africa directly for the trip and this portion of your payment cannot be tax deductible. The more individuals who sign up for the trip the cheaper the cost. We would refund you accordingly if your trip price drops due to more people from our groups signing up to go with you.

Admire the transparent Namib Dune Gecko (*Pachydactylus rangei*) with webbed feet that are equivalent to snow shoes. Learn about the different beetles and insects and how they survive in the dune desert. Follow in the tracks of a legless Lizard (Fitsimmon's Burrowing Skink), observe Sand Diving Lizards (*Meroles Anchieta*) dancing on the hot sand, Sidewinder Snakes (Perinquey's Adder), Desert Chameleons and many more fascinating creatures.
