About Artfest Toronto

Artfest Toronto presents three juried art and craft shows at the Distillery Historic District each summer. This year we have 225 artists and artisans from across Ontario and Quebec participating in three events. Thanks to a Celebrate Ontario Grant, we have been able to offer free arts programming that includes live music, painting performances and free children's art workshops. We hope you enjoy the shows and fill in our survey for a chance to win prizes.

Live Music

Artfest Toronto at the Distillery is proud to present world class musical performances this weekend. Hazel and Dave Wipper are performing on Saturday, Sunday and Monday in Trinity Square. David has a solid background in music recording and concert performance. You can hear his distinctive guitar style on Grammy Award winning hit song Black Velvet and other hits by Amanda Marshall, Rita Coolidge and Return Trip. Hazel hails from folk based Jesse as well as the Decades and sings gorgeous lead and harmony with her partner Dave in Melody Fair. You will hear a huge range of top hits spanning four decades. They have the perfect sound for the Artfest Toronto Fine Art & Craft Show. Show times are 12pm-6pm Saturday, Sunday and Monday.
