This cat or kitten will be kept indoors and not be allowed to roam freely outdoors.
This kitten/cat will not be declawed.

All care and attention has been taken to insure the health and fitness of the animal(s) that you are purchasing today and to the best or our knowledge there are no known congenital or hereditary defects in either of the parents or any offspring (unless otherwise stated).

All kittens/cats have been vaccinated and thoroughly checked by our veterinarian before they leave our premises and in the case of export each kitten/cat has had all the extra required vaccinations and vet health inspections. This kitten is guaranteed for 72 hours against, but not limited to the following ailments: upper respiratory infection, internal and external parasites, and FELV/FIV. Buyer has 72 hours to take the kitten to the vet for a health exam, if any health concerns are found, the buyer may return kitten to the seller within 72 hours with an explanation from the attending vet. No medical or travel charges will be refunded. During this first 72 hours the kitten should be isolated from any other pets and monitored for health, eating, litter box usage and activity level. The seller is not responsible for any injury or illness to other pets caused by exposure to this kitten.

If the kitten/cat dies within the first year of life due to an inherited genetic disease, buyer must inform seller and provide a necropsy from a certified veterinarian. Seller will then replace said kitten with one of equal quality when one becomes available.

We require a non-refundable deposit of half the purchase price to accompany this contract. We do not refund the purchase price if you change your mind.

We would expect you to provide a safe, warm and caring environment for your new kitten/cat and take all steps necessary to keep it healthy, happy and content including regular vet checks and vaccinations.

I agree to the above contract.
