SECTION 16 OF THE WILDLIFE AND COUNTRYSIDE ACT 1981

LICENCE FOR THE RELEASE OF NEMATODES

SUPPLIER'S LICENCE

The Welsh Government, in exercise of the powers conferred by section 16(4)(c) and (5) of the Wildlife and Countryside Act 1981 ("the 1981 Act"), following consultation with Countryside Council for Wales (CCW) grants this Supplier's Licence.

1. This Licence applies in respect of *Steinernema carpocapsae* used in a combination with *Heterorhabditis megidis* and *Steinernema feltiae* ("Supernemos") supplied by Nemos Horticultural Ltd, 37 Woodlands Rise, Aricklow, Co. Wicklow, Ireland ('the Company'), FML Limited or any retail sales agent ("a Distributor").
2. Subject to the conditions in paragraphs 3 and 4 of this Licence, section 14ZA and 14(1) of the 1981 Act do not apply to the Company or a Distributor:
 - a) selling Supernemos for the control of; Vine Weevils, Wireworms,

Strawberry Root Weevils, Carrot Maggots and Weevils, Chafer Grubs, Caterpillars, Cutworms, Leatherjackets, Cabbage Worm, Fungus Gnat Larvae, in home or private gardens, public gardens and parks, sports turf, nurseries and soft fruit farms;

b) accidentally releasing Supernemos into the wild as a consequence of the research and development of the Company with Supernemos.

3. This licence applies in relation to Wales and, unless revoked or modified at any time before then, is valid up and until **30 November 2012**. If a Distributor wishes to sell Supernemos for the purposes outlined in paragraph 2 after this date it must approach the Company for an updated license.

4. This licence is granted subject to the following conditions:

a) it only applies in respect of disease-free Supernemos;

b) if there is evidence that Supernemos have become established in the environment or have caused environmental harm, the Company must notify the Welsh Government and CCW; any notification not in writing must be confirmed in writing within 30 days;

c) at the time when the Company provides Supernemos to a Distributor the Company shall also supply that Distributor with a copy of the Supplier's License;

d) at the time when a Distributor supplies Supernemos to another Distributor the supplying Distributor shall also supply the receiving Distributor with a copy of the Supplier's License;

e) at the time when the Company provides Supernemos to a Grower the Company shall:

(i) where the sale is directly to a Grower, directly supply that Grower with a copy of the Grower's License, or

(ii) where the sale is effected by a Distributor, enclose a copy of the Grower's license within the Supernemos packaging or mark the Supernemos packaging with sufficient information to direct the Grower to the Company's website where the Grower shall be able to download a copy of the Grower's License.

f) the Company shall include within its packaging, or direct a Grower to, the following:

(i) a copy of the Company's instructions for the application of Supernemos which should also specify the rate of application;

(ii) a copy of the Company's guidelines or protocols designed to minimise the escape of Supernemos into the wild;

(iii) a copy of the Company's management procedure to be followed in order to control or eradicate Supernemos including the use of pesticides within the site.

g) the Company shall supply the Welsh Government and CCW with a written report on the release of Supernemos by 30 November each year. Each report shall include a copy of the instructions supplied to Growers at Condition 4(f) and any information that alters the risk assessment submitted to support

this application.
