Organization: American Association of the Advancement of Science Human Rights Program

Address: 1200 New York Avenue, NW #100

Washington, DC 20005

Phone: 202-326-6787

Fax: 202-289-4950

Email: shrp@aaas.org

Website: <http://shr.aaas.org>

Organization Description: Science is a worldwide enterprise that requires freedom of thought, communication, travel and the freedom to pursue professional activities without interference. The science and human rights program seeks to protect these freedoms through programs protecting the human rights of scientists, monitoring human rights violations, and advancing scientific methods for documenting and analyzing human rights abuses. The program offers assistance to NGO's, Governmental Human Rights Commissions, and Truth Commissions throughout the world.

Internship Description: The AAAS Science and Human Rights Intern Program offers a student a part time opportunity to work 16hrs/week. The intern is responsible for drafting AAAS Human Rights Action Network alerts on cases of scientists whose human rights have been violated. The intern also conducts work on the Directory of Human Rights Resources on the Internet in order to maintain the online version and prepare the printed version for publication.
