

STATE PILOT OPERATIONAL BASES AND FLOATING EQUIPMENT

Thirteen ocean-going pilot vessels serve the coastal area requirement of the New York State pilot system. The Board of Commissioners authorized and designated State pilot transfer locations are:

- Station Edgewater, Staten Island, NY serving the Atlantic Ocean, at the approaches to New York Harbor;
- Station Newport, R.I. serving New York waters of Long Island Sound/Block Island Sound, Point Judith and Montauk Point (subject to weather and draft limitations);
- Station Edgewater, Staten Island, NY serving Western Long Island Sound;
- Station Yonkers, New York, serving the Lower Hudson River;
- Station Hyde Park, New York serving Hyde Park/Norrie Point and the Upper Hudson River.

The following floating equipment is currently authorized and in use in the State pilot system:
