4/15/19
IT's SIDS
This workshop addresses safe sleep practices and ways to reduce the risk of SIDS; including information on the NC Law regarding safe sleep practices in child care programs. This training meets the licensing requirement for training on SIDS.

4/16/19
Solutions to the Dilemma: Reducing Suspension and Expulsion in ECE Programs (This training is required for follow up training on 6/10 & 6/11)
Suspension and expulsion from child care can have long-lasting negative effects on both children and families. It is the intent of the NC DCDEE to severely limit the use of these exclusionary practices in programs serving children birth—five. This informational meeting will acquaint facility administrators with NC's new Suspension/Expulsion Policy and explore the importance of promoting healthy social-emotional development in preventing the challenging behaviors which often lead to suspension/expulsion.

4/23/19
Fire Safety
Participants will learn strategies for prevention of fires, as well as, how to keep children and staff safe in the event of a fire in a child care facility. This workshop meets the requirement for annual fire safety training.

5/7/19
Playground Safety
This workshop provides a practical, educational interpretation of the NC Child Care Commission's playground safety rules and meets the requirement for playground safety training.

5/10/19
Child Care Director's Luncheon: Top Ten Violations and How to Avoid Them
In this session, we will discuss the top violations cited in Rockingham County and look at steps to take to avoid the violations. We will also look at what to do after the violations have been cited and how to write a corrective action letter.

5/13/19
Family Child Care Home Meeting: Top Ten Violations and How to Avoid Them
See description above.

5/21/19
Allergy Wars: Winning the Battle of Allergic Reactions in Child Care
Join us for an intensive target training session on allergies, uses of emergency medications, and medical care plans. We will discuss laws, best practices, and licensing rules regarding caring for children with allergies.

5/30/19
Creating Culturally Competent Early Childhood Educators to Increase Family Engagement for Minority Families
This training is for early childhood educators that want to make a change in their classroom and in their lives by becoming culturally competent. The training will help teachers understand how being culturally competent plays a role in engaging minority families. In addition, they will learn how to differentiate between the two terms: family involvement and family engagement.

6/1/19
Adult, Child & Infant CPR & First Aid
Participants will earn American Heart Association certification in Adult, Child, and Infant CPR, as well as, training on use of AEDs along with First Aid training. Both are valid for two years.

6/4/19
"What's the Point?": Purposeful Planning in Preschool Environments
Do you have centers in your classroom that your preschoolers seem uninterested in? Do you sometimes struggle with making centers engaging? If so, this workshop is for you! Come learn how to design your classroom interest areas intentionally with activities that promote purposeful learning.

6/10/19 6/11/19
Solutions to the Dilemma: Policies and Practices for Creating a Climate of Support to Reduce Suspension and Expulsion in ECE Programs (Part 1 & 2)
In this module, participants will explore the steps for developing a program philosophy that reflects a commitment to making sure "all children succeed"; practice creating philosophy statements; discover tools and resources to use when designing supportive environments and planning supportive responses to challenging behavior; review developmentally appropriate behavioral expectations for children 0-5; explore ways to train, coach, and provide ongoing support for staff.

Learning is Happening Right Before Your Eyes: Seeing and Supporting Infant and Toddler Cognitive Development

(Infant/Toddler & Two's Appropriate) (Presented by: Jennifer Anderson— Regional Infant/Toddler Specialist)

Many adults still think of babies as helpless and simply a "clean slate". In fact, if you watch infants and toddlers closely, you will see that in almost every waking moment they are engaged in thoughts and actions of discovery and learning. These thoughts and actions are the complex learning processes and abilities that we will discuss as we define "cognitive development". We will further describe cognitive development in terms of six different types of discoveries infants and toddlers make when they explore and experiment with the things and people in their world. Opportunities to apply your knowledge of these discoveries will help you see the learning that is happening as infants and toddlers are developing cognitively. In the end, you will leave with some strategies and experiences you can use daily to support infant and toddler cognitive development.

Track 2: 8:30am to 2:00pm

1..2..3...Play in the Dirt with Me: Ways to Incorporate Math & Science into Your Preschool Classroom

(Preschool Appropriate) (Presented by: Adina Tompkins– NC PreK Coordinator)

So many times, teachers hear "science" and think back to dreadful periodic tables and dissecting frogs. Math often ends up being countless days of counting calendar days. Math and science for preschoolers doesn't have to be boring and dreadful; it can be super! If you are a teacher of 3, 4 or 5 year-olds who is ready to experiment and use inquiry-based approaches to create a "Super Science and Marvelous Math" classroom, this workshop is for you. Learn how to use everyday products and routines to rock your classroom and boost children's love of experimentation.

Lunch: 12:00pm to 12:30pm

Track 3: 8:30am to 2:00pm

How to Become a STEM Superhero

(School-Age Appropriate) (Presented by: Jonathan Williams—Statewide School-Age Program Coordinator)

Calling all STEM Superheroes! Does the thought of creating high quality STEM activities overwhelm you? Do you wish you had STEM superpowers? The goal of this learning event is to introduce afterschool providers to practical strategies for developing powerful STEM programs.

Participants will define STEM in their own words and describe STEM barriers. Participants will also create high quality STEM activities while incorporating those activities with SACERS U. Are you ready for a SUPER STEM challenge?

RCPC's Early Education Services Workshop Registration Policies

Pre-registration by the published deadline is required for all Early Education Services (EES) workshops whether there is a fee or not. We suggest that you call our office to ensure that enough spaces are available in the workshop that you would like to attend prior to sending payment. **Spots cannot be reserved without payment**. **Therefore, your registration is not confirmed until payment is received**. There are several options for registering for workshops:

- Call Cynthia Langston at 342-9676 ext. 201 or April Cox at ext. 207 and pay with a credit card.
- Fax in the registration form with credit card payment information to 342-9962.
- Drop by our office at 7572 NC Hwy 87, Reidsville, during business hours to pay with cash, check, money order, or credit card. RCPC is not able to keep cash on hand so you must provide correct change when cash is used to pay for workshops.
- Mail this registration form along with check, money order, or credit card payment information to:
  RCPC
  Attn: Workshop Registration
  P. O. Box 325
  Wentworth, NC 27375

Returned Checks- In the event a check is returned for insufficient funds, RCPC will charge a return-check fee based on the fee charged to RCPC by the bank. This fee and the check amount must then be paid in cash or with a money order. No further checks will be accepted from the individual or business until the charges have cleared.

Registration Deadlines - Training registration deadlines are one week prior to the workshop unless otherwise noted. Payment must be received by 5:00 pm on the deadline. Registrations will not be accepted after the deadline. The minimum number of participants required to hold a workshop is typically 1/2 of the maximum capacity. If registration does not meet this requirement by the deadline, the workshop may be cancelled and credit for a future workshop will be issued to those registered.

Training Credit Vouchers – If using a training credit voucher, the original voucher must be presented at the time of registration. Vouchers can be hand delivered or mailed to RCPC. Faxed copies of vouchers cannot be accepted. Vouchers will not be accepted after their expiration date. Facilities are welcome to use the voucher towards any staff members' registration.

Waiting List - If a workshop is full prior to the registration deadline, a waiting list will be created. If cancellations are made, we will contact individuals on the waiting list in the order their registrations were received to offer a slot in the workshop. Anyone enrolled in a workshop from the waiting list will have 24 hours to pay the registration fee to confirm their space.

Registration Cancellations - Individuals who are registered for workshops and need to cancel their registration must call our office by 12:00 pm on the day of the training in order to receive a credit for future workshops. No refunds will be given.

Late Arrivals – Plan to arrive a few minutes prior to the workshop's start time to allow time for registration. Participants arriving more than 15 minutes late or leaving more than 15 minutes early will not be given credit.

Child Care - Child care is not provided at our workshops. Because it is inappropriate to expect young children to sit quietly through workshops designed for adults, individuals who bring children with them to training will not be admitted and no refund or credit will be given.

Training Locations - Workshop locations vary. It is the participant's responsibility to ensure that they get to the proper location on time. Most training's are held at the following locations: Rockingham Community College ADT – Advanced Technologies Bldg. (bldg. with computer lab/auditorium), the Agricultural Extension Office or the Rockingham County Partnership for Children Conference Room.

Materials Given - On occasion, professional resources or classroom materials may be given to participants as door prizes or as a part of participation in the session. It is the perspective of the Early Education Services (EES) that the materials should belong to the person or organization that paid the registration fee. In the event that the facility paid the fee, the materials should be made readily available for use by the staff person(s) who attended the session.

Certificates - Always keep a copy of your certificates for your own records in addition to giving one to your employer. There will be a $5 fee for RCPC staff to provide a replacement certificate for trainings attended within the last year only.

Inclement Weather – If Rockingham County Schools are closed due to inclement weather on the same day that a workshop is scheduled, the workshop will be postponed and rescheduled later.
