

## Bob's Salsa

*This is as close as I can come to my recipe for salsa. I don't normally measure anything, so all measurements are rough.*

2 lg cans whole tomatoes, drained  
1 15-oz can Hunt's Choice Cut tomatoes  
2 small cans chopped green chilis  
2 or 3 medium onions, finely chopped  
At least 4 cloves garlic, minced  
¼ c finely chopped fresh cilantro  
4-6 T olive oil  
2 T dry oregano  
1/3 c finely chopped fresh parsley  
2 T sugar  
Juice of 1 lime  
Salt and pepper to taste

Squeeze excess water from whole tomatoes and chop in medium pieces. Add all other ingredients. Taste carefully. Use lots more garlic if you like garlic. Add more cilantro if it's your favorite, but don't go overboard. If it seems bitter, add a little more sugar.
