

Ukiah Junior Academy
Junior Varsity (Grades 5-10) Permission Form
2019-2020 School Year

Ukiah Junior Academy participates informally in Junior Varsity Sports. The Junior Varsity program is organized and staffed by parent volunteers coordinated with Ukiah Junior Academy administration. The purpose of the Junior Varsity Sports program is to provide an optional program for students interested in learning how to play various organized sports and to experience being part of a team that promotes standards of Christian sportsmanship such as teamwork, accountability, and winning/losing with grace. Ukiah Junior Academy is not part of an established league in any sport, so games are organized against other schools as schedules permit.

Eligibility for participating in the Junior Varsity sports program is dependent on students maintaining their grades. A student who currently has any Fs or Incompletes from the previous quarter may not participate in the JV sports program. It is important that students continue to maintain their grades while participating in JV sports. The school administration will work closely with the JV coaches to make sure all students on the team remain eligible to participate in practices and games.

Eligibility for participating in the Junior Varsity sports program is also dependent on students maintaining good behavior and citizenship. Students who have discipline problems may forfeit the privilege of participating in the JV sports program either for the season or a part of the season.

Christian standards of conduct are expected at all times during practices, tournaments, and time spent on other campuses.

Students participating in Junior Varsity Sports must also be cleared medically to play. The Northern California Conference Varsity Interscholastic Physical History Form must be completed prior to participation in Junior Varsity sports.

I (parent) _____ give (student) _____ permission to participate in the Junior Varsity Sports program for the 2019-2020 school year. I agree to support Ukiah Junior Academy's policy of academic eligibility, Christian conduct, and good sportsmanship. I acknowledge that the JV practices and games take place outside of school hours.
