Each player's name will be put into a draw box and starting on Dec 11th a predetermined number of teams will be drawn throughout the week (depending on the number of participants).

The number of winning teams will depend on the number of teams that register. If we get more than 20 teams we may do more than one draw. Team Captains will need to go the Squamish Hospice Society website: www.squamishhospice.com, and then click on their NEWS button each day to find out if your team has won during the week of Dec. 11th

Final Draw Date is Friday Dec. 15th and the prize wine MUST be picked up by 6:00pm that day. The person coming to pick up wine MUST take ALL the wine for their team. Thank you in advance for joining the Holiday Wine drawn and in doing so supporting Squamish Hospice Society programs! GOOD LUCK! Each team can only win once.
