

The portal is for **NON-EMERGENCY** secure communication ONLY. If you are experiencing a medical emergency dial 911. If you are experiencing an eye emergency during office hours, call Wolfeboro Eye Associates at 603-569-8500. After office hours eye emergency only call 603-738-2010 or dial 911.

Via the Patient Portal you can:

- View your patient summaries from your office visits
- Contact the office via secure email
- Review your medication and allergy list
- Review and verify your demographic and insurance information

Please provide Wolfeboro Eye Associates with your current email address. This is where the information will be securely sent. Your email is NOT used for any advertising purposes. Your email will not be shared with anyone. This Secure Patient Portal is in compliance with Health Care Reform requirements. If you change your email address, it is important that you update your email address with us so that you will continue to have access to the patient portal. Again, it is your responsibility to provide us with all changes in your demographics which include mailing address, phone numbers, email address, and also any current insurance information.

If you do not have an email address and you wish to have clinical summaries or copies of exam records you may request a printed copy. Complete printed copies of exam records may be subject to printing fees if extensive, while using the patient portal is free.

After receiving your email you will be directed on how to access your information and set up your password to the Patient Portal. Once you receive your email and log into the Patient Portal, please send us an email showing you have received your clinical summary, acknowledging that it was received successfully.

I wish to have a copy of this notice.
