A 4 day exploration of our anatomy through slide lectures, palpation, guided visualization and movement. We will learn and share insights about the inner core of our structure to the outer layers that connect us with the world, and how we express ourselves through our bodies. This course is valuable to all who enjoy learning through and with their bodies.

This Intensive provides 22 CE hours for massage practitioners and body workers. Rosen Method Open Center is approved by the National Certification Board for Therapeutic Massage and Bodywork (NCBTMB) as a continuing education Approved Provider and is also sponsored by NCBTMB to teach New York LMTs continuing education that is accepted by the State of New York for license renewal (provider 451023-09).
