### **HARVESTIME INTERNATIONAL INSTITUTE**

This course is part of the **Harvestime International Institute**, a program designed to equip believers for effective spiritual harvest.

The basic theme of the training is to teach what Jesus taught, that which took men who were fishermen, tax collectors, etc., and changed them into reproductive Christians who reached their world with the Gospel in a demonstration of power.

This manual is a single course in one of several modules of curriculum which moves believers from visualizing through deputizing, multiplying, organizing, and mobilizing to achieve the goal of evangelizing.

## COURSE INTRODUCTION

The many references to the Old Testament by Jesus during His earthly ministry illustrate the importance He placed on knowing the content of the Scriptures. Because Jesus stressed the importance of God's Word to the men He trained, Harvestime International Institute presents "*Basic Bible Survey*" as part of its training program to equip men and women to reach their nations with God's message.

"*Basic Bible Survey*" introduces the Bible and discusses its translations and various versions. It presents an overview of Biblical history, geography, and life in Bible times. The course provides an outline for each book of the Bible and teaches outlining skills for expanding these basic outlines into more detailed studies of God's Word.

Information presented on each Bible book includes the author, the people to whom the book was written, the purpose of the book, the key verse, a list of main characters, and an outline of the content. A life and ministry principle is also stated for each book. These principles are basic truths vital to Christian maturity and ministry which you should seek to incorporate into your own life. Helpful charts, maps, and time lines summarizing important facts in condensed form are also included in this course.

The course is divided into two parts:

Part One: Provides introductory material on the Bible and outlines for the books of the Old Testament.

Part Two: Provides outlines for the books of the New Testament.

"*Basic Bible Survey*" is a companion course of "*Creative Bible Study Methods*" which teaches various ways to study the Bible. Both courses are designed to enrich your personal study of God's Word.\*

---

\* Since each Harvestime International Institute course is designed to be complete in itself, it was necessary to repeat some introductory material from "*Creative Bible Study Methods*." Three of the introductory chapters are similar in both courses.

# COURSE OBJECTIVES

Upon completion of this course you will be able to:

- Identify basic divisions of the Bible.
- Explain the difference between versions, translations, and paraphrased editions of the Bible.
- Describe everyday life in Bible times.
- Summarize the chronology of the Bible.

### **KEY VERSES:**

**All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness:**

**That the man of God may be perfect, thoroughly furnished unto all good works.  
(II Timothy 3:16-17)**

### **INTRODUCTION**

This chapter introduces the Bible which is the written Word of the one true God. The word "Bible" means "the books." The Bible is one volume which consists of 66 separate books.

The word "Scripture" is also used to refer to God's Word. This word comes from a Latin word which means "writing." When the word "Scripture" is used with a capital "S" it means the sacred writings of the one true God. The word "Bible" is not used in the Bible. It is a word selected by men as a title for all of God's Words.

## ORIGIN OF THE BIBLE

The Bible is the written Word of God. He inspired the words in the Bible and used approximately 40 different men to write down His words. These men wrote over a period of 1500 years. The perfect agreement of these writers is one proof that they were all guided by a single author. That author was God.

Some of the writers wrote down exactly what God said:

**Take thee a roll of a book, and write therein all the words that I have spoken unto thee against Israel . . . (Jeremiah 36:2)**

Other writers wrote what they experienced or what God revealed concerning the future:

**Write the things which thou hast seen, and the things which are, and the things which shall be hereafter. (Revelation 1:19)**

All of the writers wrote under God's inspiration the words of His message for us.

## THE PURPOSE OF THE BIBLE

The Bible itself records its main purpose:

**All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness:**

**That the man of God may be perfect thoroughly furnished unto all good works. (II Timothy 3:16-17)**

The Scriptures are to be used to teach doctrine, to reprove and correct from evil, and to teach righteousness. They will help you live right and equip you to work for God.

## MAJOR DIVISIONS

The Bible is divided into two major sections called the Old Testament and the New Testament. The word "testament" means covenant. A covenant is an agreement. The Old Testament records God's original covenant or agreement with man. The New Testament records the new covenant made by God through His Son, Jesus Christ.

What was the subject of these two agreements? They both concerned restoring sinful man to right relationship with God. God made a law that sin can only be forgiven through the shedding of blood:

**. . . without shedding of blood is no remission (forgiveness). (Hebrews 9:22)**

Under God's agreement in the Old Testament, blood sacrifices of animals were made by man to obtain forgiveness for sin. This was a symbol of the blood sacrifice Jesus Christ would provide under the new agreement with God. Through the birth, life, death, and resurrection of Jesus, a final sacrifice for sin was made:

**But Christ being come an high priest of good things to come, by a greater and more perfect tabernacle, not made with hands, that is to say, not of this building;**

**Neither by the blood of goats and calves, but by His own blood he entered in once into the holy place, having obtained eternal redemption for us.**

**For if the blood of bulls and of goats, and the ashes of an heifer sprinkling the unclean, sanctifieth to the purifying of the flesh:**

**How much more shall the blood of Christ who through the eternal Spirit offered Himself without spot to God, purge your conscience from dead works to serve the living God?**

**And for this cause He is the mediator of the new testament, that by means of death, for the redemption the transgressions that were under the first testament, they which are called might receive the promise of eternal inheritance.  
(Hebrews 9:11-15)**

Both testaments are the Word of God and we must study both in order to understand God's message. The terms "old" and "new" testaments are used to distinguish between God's agreement with man before and after the death of Jesus Christ. We do not disregard the Old Testament simply because it is called "old."

## **FURTHER DIVISIONS**

The Bible is further divided into 66 books. The Old Testament has 39 books. The New Testament contains 27 books. Each book is divided into chapters and verses. Although the content of each book is the Word of God, the division into chapters and verses was made by man. to make it easy to locate specific passages. It would be very difficult to find a passage if the books were all one long paragraph.

Here is a simple diagram that shows the basic divisions of the Bible:

## THE BIBLE

### UNITY OF THE BIBLE

When we speak of the unity of the Bible, we mean two things:

#### **ONE: THE BIBLE IS UNITED IN CONTENT:**

Even though the Bible was written by many writers over many years, there are no contradictions. One author does not contradict any of the others.

The Bible includes discussion of hundreds of controversial subjects. (A controversial subject is one that creates different opinions when mentioned). Yet the writers of the Bible spoke on such subjects with harmony from the first book of Genesis through the last book of Revelation. This was possible because there was really only one author: God. The writers only recorded the message under His direction and inspiration. For this reason, the content of the Bible is united.

#### **TWO: THE BIBLE IS UNITED IN THEME:**

Some people think the Bible is a collection of 66 separate books on different subjects. They do not realize that the Bible is united by a major theme. From beginning to end, the Bible reveals God's special purpose which is summarized in the book of Ephesians:

**Having made known unto us the mystery of His will, according to His good pleasure which He hath purposed in Himself;**

**That in the dispensation of the fullness of times He might gather together in one all things in Christ, both which are in heaven, and which are on earth; even in Him;**

**In whom also we have obtained an inheritance, being predestinated according to the purpose of Him who worketh all things after the counsel of His own will.  
(Ephesians 1:9-11)**

The Bible reveals the mystery of God's plan which is the unifying theme of the Bible. It is the revelation of Jesus Christ as the Savior of sinful mankind. Jesus explained how the Old

Testament centered on Him:

**And He said unto them, These are the words which I spake unto you while I was yet with you, that all things must be fulfilled, which were written in the law of Moses, and in the prophets, and in the psalms concerning me.**

**(Luke 24:44)**

With this introduction, Jesus continued and . . .

**. . . opened He their understanding that they might understand the scriptures.**

**(Luke 24:45)**

What was the key Jesus gave them to understanding the Scriptures? The fact that its major theme focused on Him:

**. . . Thus it is written, and thus it behooved Christ to suffer, and to rise from the dead the third day;**

**And that repentance and remission of sins should be preached in His name among all nations, beginning at Jerusalem. And Ye are witnesses of these things.**

**(Luke 24:46-48)**

The Old and New Testaments both tell the story of Jesus. The Old Testament prepares us for its happening and the New Testament tells how it happened. This unites the Bible in one major theme. The people who looked forward to Jesus under the Old Testament were saved from their sins through faith in God's promise. Everyone who looks back to it as having been fulfilled in Jesus Christ is saved in the same way: Through faith that it happened just as God promised.

### **DIVERSITY OF THE BIBLE**

When we speak of the "diversity" of the Bible we mean that the Bible has variety. It records different ways in which God dealt with people and the different ways in which they responded to Him.

The Bible is written in different moods. Some portions express joy while others reflect sorrow. The Bible includes different types of writing. It contains history, poetry, prophecy, letters, adventure, parables, miracles, and love stories. Because of its variety, the Bible has been further divided into major groups of books.

### **OLD TESTAMENT DIVISIONS**

The books of the Old Testament are divided into four major groups: Law, history, poetry and

prophecy.

### **THE BOOKS OF THE LAW:**

There are five books of law. The names of these books are:

Genesis  
Exodus  
Leviticus  
Numbers  
Deuteronomy

These books record the creation of man and the world by God and the early history of man. They tell how God raised up the nation of Israel as a people through which He could reveal Himself to the nations of the world.

These books record the laws of God. The best known parts are the Ten Commandments (Exodus 20:3-17), the greatest of all commandments (Deuteronomy 6:5), and the second greatest commandment (Leviticus 19:18).

Open your Bible and locate the books of Law in the Old Testament. Locate the three verses mentioned in the preceding paragraph and read them. These are an example of the laws of God recorded in these books.

### **THE BOOKS OF HISTORY:**

There are 12 books of history in the Old Testament. The names of the books of history are:

Joshua  
Judges  
Ruth  
I and II Samuel  
I and II Kings  
I and II Chronicles  
Ezra  
Nehemiah  
Esther

Locate these books in your Bible. They are found right after the books of law. The books of history cover a thousand year history of God's people, Israel. Naturally they do not tell everything that happened, but they record the major events and show the results of both following and ignoring God's law.

## **THE BOOKS OF POETRY:**

There are five books of poetry. The names of the books of poetry are:

Job  
Psalms  
Proverbs  
Ecclesiastes  
Song of Solomon

These books are the worship books of God's people, Israel. They still are used in worship by believers today. Turn to Psalm 23 and read it. This is an example of the beautiful worship poetry contained in these books.

## **THE BOOKS OF PROPHECY:**

The books of prophecy are the Old Testament are divided into two groups which are called Major and Minor prophetic books. This does not mean the Major Prophets are more important than the Minor Prophets. The title is simply used because the Major Prophets are longer books than the Minor Prophets. There are 17 books of prophecy in the Old Testament. The names of the books of prophecy are:

### **Major Prophets:**

Isaiah  
Jeremiah  
Lamentations  
Ezekiel  
Daniel

### **Minor Prophets:**

Hosea	Nahum
Joel	Habakkuk
Amos	Zephaniah
Obadiah	Haggai
Jonah	Zechariah
Micah	Malachi

These books are prophetic messages from God to His people about future events. Many of the prophecies have already been fulfilled, but some remain to be fulfilled in the future. Find these prophetic books in your Bible. They are the last books in the Old Testament.

## NEW TESTAMENT DIVISIONS

The New Testament has also been divided into four groups: Gospels, History, Letters, and Prophecy.

### THE GOSPELS:

There are four books in the Gospels. The names of these books are:

Matthew      Mark      Luke      John

These books tell about the life, death, and resurrection of Jesus. Their purpose is to lead you to believe that He is the Christ, the Son of God. Find the Gospels in your Bible and then read John 20:31 which states this purpose.

### THE BOOK OF HISTORY:

There is one book of history in the New Testament, the book of Acts. This book tells how the church began and fulfilled Christ's commission to spread the Gospel throughout the world. Locate this book in your Bible.

### LETTERS:

There are 21 letters in the New Testament. The names of these letters are:

Romans	Titus
I and II Corinthians	Philemon
Galatians	Hebrews
Ephesians	James
Philippians	I and II Peter
Colossians	I, II, and III John
I and II Thessalonians	Jude
I and II Timothy	

The letters are addressed to all believers. Their purpose is to guide them in living and help them do what Jesus commanded. Romans 12 is a good example of their teaching. Turn to this chapter in your Bible and read it. The letters are also sometimes called "epistles" which means letters.

### PROPHECY:

Revelation is the only book of prophecy in the New Testament. It tells of the final victory of Jesus and His people. Its purpose is to encourage you to keep living as a Christian should live until the end of time. Its message is summarized in Revelation 2:10.

# CHAPTER TWO

## THE BOOKS OF THE BIBLE

### OBJECTIVES:

Upon completion of this chapter you will be able to:

- Write the Key Verse from memory.
- Identify the number of books in the Old Testament.
- Identify the number of books in the New Testament.
- Explain why it is important to have a systematic plan for reading the Bible.
- List four suggestions for successful Bible reading.

### KEY VERSE:

**Let my cry come near before thee, O Lord; give me understanding according to thy Word. (Psalms 119:169)**

### INTRODUCTION

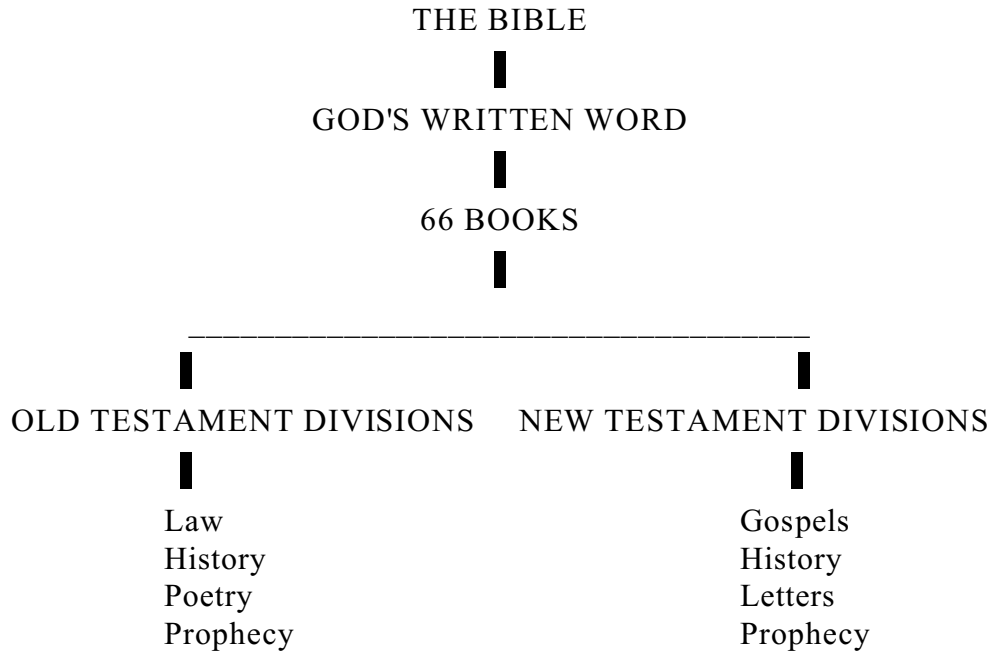

In the previous chapter you learned that the Bible is the written Word of God. You learned it is divided into two major sections called the Old Testament and the New Testament. You learned the four divisions of the Old Testament books:

Law  
History  
Poetry  
Prophecy

You also learned the four divisions of the New Testament books:

Gospels  
History  
Letters  
Prophecy

The following chart summarizes what you have learned about the Bible so far:

This chapter contains a summary of each of the 66 books of the Bible which make up the major divisions of the Old and New Testaments. It provides an introduction to the content of both testaments. Four suggestions for successful Bible reading are given and you will choose a systematic plan to start reading God's Word.

**OLD TESTAMENT BOOKS**  
 (39 Books)

**BOOKS OF LAW:**

**Genesis:** Records the beginning of the universe, man, the Sabbath, marriage, sin, sacrifice, nations, and government and key men of God like Abraham, Isaac, Jacob, and Joseph.

**Exodus:** Details how Israel became a nation with Moses as leader. Israel is delivered from bondage in Egypt and travels to Mt. Sinai where the law of God is given.

**Leviticus:** This book was a manual of worship for Israel. It provides instruction to the religious leaders and explains how a sinful people can approach a righteous God. It relates to the coming of Jesus Christ as the Lamb of God who takes away the sins of the world.

**Numbers:** Records Israel's 40 years of wandering in the wilderness which was a result of disobedience to God. The title of the book is from two numberings (population censuses) taken during the long journey.

Deuteronomy: Records the final days of Moses' life and reviews the laws given in Exodus and Leviticus.

### **BOOKS OF HISTORY:**

Joshua: Details how Joshua, the successor of Moses, led the people of Israel into the Promised Land of Canaan. It records the military campaigns and the division of the land among the people.

Judges: Israel turned away from God after Joshua's death. This book records the sad story of their repeated sins and the judges God raised up to deliver them from enemy forces.

Ruth: The story of Ruth, a woman of the Gentile nation of Moab, who chose to serve the God of Israel. She became the great grandmother of David.

I Samuel: This book centers on three persons: Samuel who was the last of the judges of Israel; Saul, the first king of Israel; and David who succeeded Saul as king.

II Samuel: The glorious 40 year reign of King David is recorded in this book.

I Kings: King Solomon's reign and the kings of the divided kingdom through the reigns of Ahab in the north and Jehoshaphat in the south are the subjects of this book.

II Kings: The final decline of Israel and Judah is recalled in this book. God's people fell into deep sin.

I Chronicles: The reign of David and preparations for building the temple are recorded here. The time of this book is the same as II Samuel.

II Chronicles: This book continues Israel's history through Solomon's reign with focus on the southern kingdom. It closes with the decree of Cyrus which permitted the return of the people from Babylon to Jerusalem.

Ezra: The return of the Jews from Babylonian captivity is detailed.

Nehemiah: The rebuilding of Jerusalem's walls under the direction of Nehemiah is recalled by this book. The project was begun about 14 years after Ezra's return with the people.

Esther: God's deliverance of the Jews through Esther and Mordecai is the subject of this book.

## **BOOKS OF POETRY:**

**Job:** This book is the story of Job, a man who lived around the time of Abraham. The theme is the question of why righteous men suffer.

**Psalms:** The prayer and praise book of the Bible.

**Proverbs:** Divine wisdom for practical problems of everyday life.

**Ecclesiastes:** A discussion of the futility of life apart from God.

**Song Of Solomon:** The romance of Solomon and his Shulamite bride. The story represents God's love for Israel and of Christ for the church.

## **BOOKS OF PROPHECY:**

Several of these books were written during a period when the nation of Israel was divided into two separate kingdoms: Israel and Judah.

**Isaiah:** Warns of coming judgment against Judah because of their sin against God.

**Jeremiah:** Written during the later decline and fall of Judah. Told of the coming judgment and urged surrender to Nebuchadnezzar.

**Lamentations:** Jeremiah's lament (expression of sorrow) over the destruction of Jerusalem by Babylon.

**Ezekiel:** Warns first of Jerusalem's impending fall and then foretells its future restoration.

**Daniel:** The prophet Daniel was captured during the early siege of Judah and taken to Babylon. This book provides historic and prophetic teaching which is important in understanding Bible prophecy.

**Hosea:** Theme of this book is Israel's unfaithfulness, their punishment, and restoration by God.

**Joel:** Tells of the plagues which foreshadowed future judgment.

**Amos:** During a period of material prosperity but moral decay, Amos warned Israel and surrounding nations of God's future judgment on their sin.

**Obadiah:** God's judgment against Edom, an evil nation located south of the Dead Sea.

Jonah: The story of the prophet Jonah who preached repentance in Ninevah, capitol of the Assyrian empire. The book reveals God's love and plan of repentance for the Gentiles.

Micah: Another prophecy against Israel's sin. Foretells the birthplace of Jesus 700 years before the event happened.

Nahum: Tells of the impending destruction of Ninevah which had been spared some 150 years earlier through Jonah's preaching.

Habakkuk: Reveals God's plan to punish a sinful nation by an even more sinful one. Teaches that "the just shall live by faith."

Zephaniah: Judgment and restoration of Judah.

Haggai: Urges the Jews to rebuild the temple after a 15 year delay due to enemy resistance.

Malachi: Warns against spiritual shallowness and foretells the coming of John the Baptist and Jesus.

## **NEW TESTAMENT BOOKS**

(27 Books)

### **THE GOSPELS:**

The four books known as the Gospels record the birth, life, ministry, teachings, death and resurrection of Jesus Christ. The approach of each book differs:

Matthew: Emphasizes Jesus Christ as King and was directed especially to the Jews.

Mark: Emphasizes Jesus Christ as the Servant of God and was directed especially to the Romans.

Luke: Presents Jesus Christ as the "Son of Man," the perfect man and Savior of imperfect men.

John: Presents Jesus in His position as the Son of God.

## **BOOK OF HISTORY:**

Acts: The one history book of the New Testament records the early growth of Christianity from the time of Christ's return to Heaven through Paul's imprisonment in Rome. The book covers about 33 years and emphasizes the work of the Holy Spirit.

## **LETTERS:**

Romans: A presentation of the Gospel which stresses salvation by faith alone.

I Corinthians: Written to correct errors of Christian conduct in the local church.

II Corinthians: Speaks of the true ministry of the Gospel, stewardship, and Paul's apostolic authority.

Galatians: Deals with the error of mixing law and faith. The theme is justification by faith alone.

Ephesians: Encourages believers regarding their position in Christ.

Philippians: Emphasizes the joy of Christian unity.

Colossians: Deals with the error of "Gnosticism," a false teaching which denied Jesus was truly Son of God and Son of Man. The book also emphasizes Jesus as head of the Church.

I Thessalonians: Counsel in Christian living and emphasis on the return of Jesus.

II Thessalonians: Further instruction on the Lord's return and how knowledge of this should affect everyday life.

I Timothy: Stresses sound doctrine, orderly church government, and principles to guide the church in the years to come.

II Timothy: Describes the true servant of Jesus Christ. It also warns of the apostasy (spiritual decline) which had already started. It presents the Word of God as the remedy to correct all error.

Titus: Paul's letter to a young minister named Titus who was serving God on the island of Crete. Doctrine and a Godly life are stressed.

Philemon: Paul's intercession for a runaway slave of a wealthy Colossian Christian. It illustrates the intercession of Jesus on the behalf of believers who were once slaves to sin.

Hebrews: Explains the superiority of Christianity over Judaism. Presents Jesus as the Great High Priest and the mediator between God and man.

James: Teaches that true faith is evidenced by works, although salvation is by faith alone.

I Peter: A letter of comfort and encouragement to believers, especially those suffering spiritual attacks from outside the church through unbelievers.

II Peter: A warning against spiritual attacks from within. For example, false teachers who had already "crept" into the Church.

I John: Written to combat Gnosticism which denied Christ's position as Son of God and Son of Man. The book emphasizes fellowship and love among believers and assures true believers of eternal life.

II John: Warns against any compromise with doctrinal error and emphasizes that the truth must be guarded in love.

III John: Warns of the sin of refusing fellowship with those who are true believers.

Jude: Another warning against apostasy and false doctrine. The theme is similar to that of II Peter.

### **BOOK OF PROPHECY:**

Revelation: This prophetic book tells of the final events of world history. It tells of the things which were, are, and which will be in the future plan of God (Revelation 4:22).

## **SUCCESSFUL BIBLE READING**

You will learn much in this course about how to understand and interpret the Bible. You will also learn methods of creative Bible study. But the first step in understanding the Bible is to begin to read it. To help you start reading God's Word we have outlined several different reading plans. These include a plan for those just starting their study as well as a plan for those who are more advanced in the study of God's Word.

First, here are four suggestions for successful Bible reading:

### **1. READ DAILY:**

**But his delight is in the law of the Lord; and in His law doth he meditate day and night. (Psalms 1:2)**

God made your physical body so you must have food daily in order to remain healthy. In a similar manner, your spirit must be fed daily with the food of the Word of God if you are to be spiritually healthy:

**. . . It is written, That man shall not live by bread alone, but by every Word of God. (Luke 4:4)**

## **2. READ SELECTIVELY:**

Start by reading the "milk" of the word. These are the simple truths of the Word of God:

**As newborn babes, desire the sincere milk of the Word that ye may grow thereby. (I Peter 2:2)**

Later you will mature spiritually to where you can eat "meat" of the Word of God. This means you will be able to understand more difficult teachings of the Bible:

**For everyone that useth milk is unskillful in the word of righteousness: for he is a babe.**

**But strong meat belongeth to them that are of full age, even those who by reason of use have their senses exercised to discern both good and evil. (Hebrews 5:13-14)**

**I have fed you with milk, and not with meat; for hitherto ye were not able to bear it . . . (I Corinthians 3:2)**

## **3. READ PRAYERFULLY:**

**For Ezra had prepared his heart to seek the law of the Lord. (Ezra 7:10)**

Before you start to read, pray to God and ask Him to help you understand the message He has given you through His written Word. Let your prayer be as the Psalmist David prayed:

**Open thou mine eyes, that I may behold wondrous things out of thy law. (Psalms 119:18)**

## **4. READ SYSTEMATICALLY:**

Some people do not understand God's Word because they do not have a systematic plan for reading. They read a chapter here and there and fail to understand how it all fits together. This is like reading a few pages here and there in a text book on medicine and then trying to set up a medical practice.

The Bible tells us to "search the scriptures" (John 5:39). This means to study them carefully. The Bible is like a text book used in school. You must read it in an orderly way if you are to understand its content. Select one of the following reading schedules and begin reading your Bible daily.

### FOR BEGINNERS

If you have never read the Bible before, start with the book of John in the New Testament. This book was written by one of the Disciples of Jesus Christ named John. He tells the story of Jesus in a simple way which is easy to understand.

Read one chapter in John each day in the order in which they are found in your Bible. Use the following chart to check off each chapter as you read it.

#### The Gospel Of John:

_____1	_____5	_____9	_____13	_____17
_____2	_____6	_____10	_____14	_____18
_____3	_____7	_____11	_____15	_____19
_____4	_____8	_____12	_____16	_____20

## THE SHORT SCHEDULE

The short schedule of Bible reading is designed to provide a basic knowledge of the Bible through selected portions of Scripture. Read the selected portions in the order in which they are listed. Use the chart to check off each portion as you complete your reading.

# CHAPTER THREE

## VERSIONS OF THE BIBLE

### OBJECTIVES:

Upon completion of this chapter you will be able to:

- Write the Key Verse from memory.
- Name the three languages in which the Bible was written.
- Define the word "version."
- Explain the difference between a translation and a paraphrase version of the Bible.

### KEY VERSE:

**The Lord gave the Word: great was the company of those that published it.  
(Psalms 68:11)**

### INTRODUCTION

This chapter identifies the original languages in which the Bible was written and explains how the Scriptures have been translated into other languages. You will learn the difference between a translation and a paraphrase version of the Bible. Examples from various versions of the Bible are provided.

### THREE LANGUAGES

The Bible was originally written in three languages. Most of the Old Testament was written in Hebrew except for parts of the books of Daniel and Nehemiah which were written in Aramaic. The New Testament was written in Greek.

None of the original manuscripts of the Bible are now in existence. Some good manuscripts exist which are copies of the original. Versions are translations of these copies of the original manuscripts. From early times men saw the necessity of translating the Bible so everyone could read it in their own language.

No translation is exact because no two languages are exactly alike. Some words used in the Bible do not even exist in different languages. For example, there is a tribe of Indians in Ecuador, South America, called the Auca Indians. When missionaries first contacted them,

these Indians did not know how to read or write. There were no words in their language for "writing" or "book."

The Auca Indians did have a custom of carving identification marks on their property. Since there were no words in their language for scriptures, writing, or book, when the Bible was translated for them it was called "God's Carving." This identified it as something belonging to God. This is just one example of the difficulties in translating the Bible into various languages.

## **TRANSLATIONS AND PARAPHRASES**

There are many different versions of the Bible. The word "version" means a Bible written in a language different from those in which God's Word was originally written. There are two main types of versions of the Bible: Translations and paraphrases.

### **TRANSLATION:**

A translation is an effort to express what the Greek, Hebrew, and Aramaic words actually say. It gives as nearly as possible a literal word by word translation. Extra words are inserted only when it is necessary in order for the reader to understand the meaning.

### **PARAPHRASE:**

A paraphrase does not attempt to translate word for word. It translates thought by thought. A paraphrase is a restatement of the meaning of a passage. Paraphrase versions are easier to read and understand because they are written in modern vocabulary and grammar, but they are not an exact translation of God's Word.

The "For Further Study" section of this chapter provides examples from several English versions of the Bible for you to compare. These illustrate the differences in translation and paraphrase versions.

## **SELECTING A STUDY BIBLE**

For purposes of this course and Bible study in general, we recommend use of the King James version of the Bible. There are several reasons for this:

### **FIRST:**

The King James Bible is very accurate and a good translation for serious study. A paraphrase version does not contain the exact word-by-word translation of Scriptures.

## **SECOND:**

There are more study tools available for the King James version. There are a large number of concordances, dictionaries, and commentaries written for the King James text.

## **THIRD:**

The King James version is available in more languages than any other version. Since Harvestime International Institute courses are used throughout the world, we selected this version of the Bible because it is available in many languages. It is important to have a Bible in your native tongue because you think and understand best in your own language.

If you do not have a King James version of the Bible write to the American Bible Society at P.O. Box 5601, Grand Central Station, New York, New York 10164, U.S.A. They have a complete listing of all the languages in which the King James version of the Bible is available. If you find the King James Version is not available in your language or have difficulty in obtaining a Bible, write to the United Bible Societies, Bible House, P.O. Box 755, Stuttgart I, Germany. They maintain a list of "Scriptures of the World" which identifies all the languages in the world in which at least one book of the Bible has been published.

If you read English but have a limited vocabulary, you may be interested in obtaining the "Bible in Basic English." This is the entire Old and New Testament written in English using only a basic 1,000 word vocabulary. Write to Cambridge University Press, New York, New York, U.S.A. for further information.

## **RED LETTER EDITIONS**

Several versions of the Bible come in what are called "red letter editions." In red letter editions of the Bible the words of Jesus are printed in red. The rest of the text of the Bible is printed in black ink.

If a red letter edition of the King James version is available in your language, we suggest you obtain it. What Jesus taught is one of the major focuses of Harvestime International Institute training and a red-letter edition emphasizes His teachings.

## **A SUMMARY**

The following chart summarizes how the various versions of the Bible developed:

## FOR FURTHER STUDY

We have selected the text of John 3:16 to illustrate the difference between the different versions of the Bible. The versions listed are the most popular English versions of the Bible.

**King James Version:** For God so loved the world that He gave his only begotten Son that whosoever believeth in Him should not perish but have everlasting life.

**New King James Version:** For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life.

**Revised Standard Version:** For God so loved the world that He gave His only Son, that whoever believes in Him should not perish but have eternal life.

**Living Bible:** For God loved the world so much that He gave His only Son so that anyone who believes in Him shall not perish but have eternal life.

**New American Standard Bible:** For God so loved the world, that He gave His only begotten Son, that whoever believes in Him should not perish, but have eternal life.

**New English Bible:** God loved the world so much that He gave His only Son, that everyone who has faith in Him may not die but have eternal life.

**Amplified Version:** For God so greatly loved and dearly prized the world that He (even) gave up His only-begotten (unique) Son, so that whoever believes in (trusts, clings to, relies on) Him shall not perish-come to destruction, be lost-but have eternal (everlasting) life.

**Phillips:** For God loved the world so much that He gave His only Son, so that everyone who believes in Him should not be lost, but should have eternal life.

**Wurst:** For in such a manner did God love the world, insomuch that His Son, the uniquely-begotten One, He gave, in order that everyone who places his trust in Him may not perish but may be having life eternal.

**Moffat:** For God loved the world so dearly that He gave up His only Son, so that everyone who believes in Him may have eternal life instead of perishing.

# CHAPTER FOUR

## AN INTRODUCTION TO OUTLINING

### OBJECTIVES:

Upon completion of this chapter you will be able to:

- Write the Key Verse from memory.
- Define the term "outline."
- Read an outline.
- Create an outline.

### KEY VERSE:

**Moreover He said unto me, Son of man, all my words that I shall speak unto thee receive in thine heart and hear with thine ears. (Ezekiel 3:10)**

### INTRODUCTION

“*Basic Bible Survey I*” includes an outline of each Old Testament book of the Bible. The outlines provide an overview of the general content of God's Word. More detailed outlines are given in “*Basic Bible Survey II*” for the Gospels, Acts, and the Epistles due to the special focus of Harvestime International Institute. The Institute emphasizes what Jesus taught and the results when His teachings were put into action in the early church.

The outlines in this course summarize only the general content of each book of the Bible. When you complete this general survey you should go back and study each book in more detail. These outlines are only a starting point for you to develop more detailed notes for each book of the Bible. To do this you must know how to create a proper outline.

### OUTLINING

An outline is a method of organizing study notes. It puts information in summary form for use in future ministry and study. An outline helps you "hear with your ear and receive in your heart" the Word of God (Ezekiel 3:10). An outline centers on a selected subject. This subject becomes the title of the outline. We have used the names of Bible books as outline titles in this course because they are the subjects of study.

The main points in the outline tell something about the subject. There are also sub-points which tell something about the main points. The prefix "sub" means they relate to (tell

something about) the main point. They provide more detailed information about the main points.

There are many ways to outline. We have selected one which uses special numbers called Roman numerals for the main points. If you are not familiar with Roman numerals a list is provided in the "For Further Study" section of this chapter. Subpoints on the outline are shown with capital letters of the alphabet. If there are further points under these, they are shown with regular numbers.

Study the following example of an outline:

### **The Title Is Placed Here**

- I. This is the Roman numeral for I used for the first main point.
  - A. This is a capital letter used for a subpoint relating to the main point.
    - 1. If there was a further subpoint relating to this, it would be marked with the number 1.
    - 2. If there are other points relating back to subpoint A, continue to place them in numerical order.
  - B. Main point I may have several subpoints. If so, continue down through the alphabet using capital letters in order. Each one of these should relate to the main point.
- II. To present another main point, use the next Roman numeral.
  - A. Subpoints follow the same pattern under every main point.

### **EXPANDING THE OUTLINES**

As an example of how you can expand the general outlines given in this course, we have selected Romans 12:1-2. First read the verses:

**I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice holy, acceptable unto God, which is your reasonable service.**

**And be not conformed to this world; but be ye transformed by the renewing of your mind, that ye may prove what is that good and acceptable, and perfect will of God. (Romans 12:1-2)**

Here is the outline developed from the verses:

## Steps For Finding God's Will

- I. Present your bodies a living sacrifice:
  - A. Holy.
  - B. Acceptable unto God.
  
- II. Be not conformed to this world:
  - A. Be transformed.
    - 1. We are transformed by the renewing of our minds.
  
- III. These steps will help us prove or find the will of God which is:
  - A. Good.
  - B. Acceptable.
  - C. Perfect.

You can see how this outline clearly summarizes the steps to God's will given in Romans 12:1-2.

You will never complete your outline study of God's Word. The Holy Spirit will constantly give you new understanding about the Word which you will want to add to your outlines.

## SELF-TEST

1. Write the Key Verse from memory.

2. What is an outline?

3. Turn to the outline on Genesis in this study. Can you read and understand the information in this outline form?

4. How are the main points on an outline indicated?

---

---

---

5. How are subpoints under a main point indicated?

---

---

(Answers to tests are provided at the conclusion of the final chapter in this manual.)

## FOR FURTHER STUDY

1. Subpoints are where you can add details to expand the simple outlines given in this course. For example, turn to the outline on the book of Daniel on page 174. The first main point is entitled "Introductory Background: The Reasons for Daniel's Prosperity" and covers chapter 1 verses 1-21. Read through these verses and identify the reasons for his success. List these as subpoints under this main point.
2. The following list of Roman Numerals will assist you in creating and expanding outlines:

# THE OLD TESTAMENT

## INTRODUCTION TO THE

### BOOKS OF LAW

In previous chapters you learned that the Bible is the written Word of God. You learned it is divided into two major sections called the Old Testament and the New Testament. You learned the four divisions of the Old Testament books: Law, History, Poetry, Prophecy. You also learned the four divisions of the New Testament books: Gospels, History, Letters, and Prophecy.

With this lesson you begin a basic survey of the books which make up the major divisions you have learned about. There are 39 books in the Old Testament. We will start our survey with the books of law:

#### THE BOOKS OF LAW

The books of law were written by Moses and they span a period of 600 years. The books of law consist of five books:

**Genesis:** Records the beginning of the universe, man, the Sabbath, marriage, sin, sacrifice, nations, and government. Also records the stories of key men of God: Abraham, Isaac, Jacob, and Joseph.

**Exodus:** Details how Israel became a nation with Moses as leader. Israel is delivered from bondage in Egypt and journeys to Mt. Sinai where the law of God is given.

**Leviticus:** This book was a manual of worship for Israel. It provides instruction to the religious leaders and explains how a sinful people can approach a righteous God. It points also to the coming of Jesus Christ as the Lamb of God who takes away the sins of the world.

**Numbers:** Records Israel's 40 years of wandering in the wilderness as a result of disobedience to God. The title of the book is from two "numberings" or population census taken during the long journey.

**Deuteronomy:** Records the close of Moses' life and reviews the laws given in Exodus and Leviticus.

  - Death: 11:1-10, 12:29-36
2. Exodus 20:1-17 records the best known of Old Testament law, the Ten Commandments.
3. One of the important subjects in Exodus is the plan for the tabernacle. The diagram on the next page shows the plan God gave Moses for this holy place of worship.

The tabernacle was important because it was the place of worship and sacrifice for Israel, but the tabernacle was also a spiritual type. This means that each part of the tabernacle was symbolic of a greater spiritual truth.

The courtyard around the tabernacle measured 150 feet by 75 feet. It is a symbol of the world.

The altar of burnt offering was 7 1/2 feet square and 4 1/2 feet high. Sacrifices were burned here which symbolized the sacrifice of Jesus for the sins of the world.

The laver was a large basin where the priests washed their hands and feet before going into the Holy Place. It is a symbol of Christian baptism.

The Holy Place measured 30 by 15 feet. It symbolizes the church separated from the world (the court) and entered by way of Christ's sacrifice (the altar) and baptism (the laver).

The table of shewbread is a symbol of the Lord's Supper (or communion, as it is called in some denominations).

The candlestick provided light for the Holy Place. It is a symbol of God's Word.

The altar of incense was the place where incense was burned. The sweet smelling smoke ascended to God as a symbol of the prayers of His people.

The veil was a curtain between the Holy Place and the Most Holy Place. It symbolized the separation between God and man.

The Most Holy Place was 15 feet long, wide, and high. It was a perfect cube shape and is a symbol of heaven. It was the dwelling place of God's presence.

The ark of the covenant was a wooden chest covered with gold. It had a lid decorated with two golden cherubim. The ark contained the Ten Commandments which symbolized God's government, a dish of manna which recalled God's provision, and Aaron's rod which was a reminder of God's power among His people. Once a year the high priest sprinkled the top of the ark with blood which was a symbol of Christ's blood by which we are cleansed from sin.

## FOR FURTHER STUDY

1. The book of Judges is a direct contrast to the book of Joshua.  
  
Joshua tells of victory, freedom, faith, progress, obedience, spiritual vision, joy, strength, and unity among the tribes with strong leadership.  
  
Judges describes defeat, slavery, unbelief, division, disobedience, earthly emphasis, sorrow, weakness, and disunity among the tribes.
2. Galatians provides an excellent summary of the books of Joshua and Judges. Galatians 5:22-26 describes Joshua, and 5:17-21 describes Judges.
3. Judges is a classic example of Hosea 8:7 and Galatians 6:7.
4. Judges 17:6 summarizes the conditions which existed in Israel during the period of the Judges.
5. The story of the strongest man in history is found in Judges 15.
6. Read the story of an army which was put to death for mispronouncing a word: Judges 12.
7. God used unusual methods in the book of Judges. He used:
  - An ox goad: 3:31
  - A nail: 4:21
  - Trumpets: 7:20
  - Pitchers: 7:20
  - Lamps: 7:20
  - A millstone: 9:53
  - A jawbone of an ass: 15:15
8. Complete the following chart as you study the recurring cycles of the book of Judges. The first cycle is done as an example for you to follow:

3. The obligations of the near kinsman relationship are outlined in Deuteronomy 25:5-10. The property laws with which the unnamed kinsman was concerned are given in Leviticus 25:23.

The kinsman who was able to redeem had to meet certain requirements:

- He must be a near kinsman.
- He must be willing to redeem.

Boaz met all of these requirements for Ruth. Jesus met all these requirements as the redeemer of sinful humanity.

## FOR FURTHER STUDY

1. I Samuel records a transition in Israel from a theocracy (where God ruled directly through priests and military leaders) to a monarchy (the rule by various kings).
2. I Samuel 15:22-23 is one of the greatest passages on obedience.
3. I Samuel 16:7 is one of the greatest passages on true human worth.
4. I Samuel 17:4 describes the world's tallest man.
5. I Samuel 18:1 records one of the most beautiful friendships recorded in the Bible.
6. I Samuel records the first of several conversations of people who had previously left this earth in death. See I Samuel 28; Luke 16:23-31; Revelation 6:9-10 and 7:9-10.
7. Samuel started the first Bible schools recorded in Scripture. These were located at Gilgal, Jericho, and Bethel. See I Samuel 10:10; I Kings 18:13; II Kings 2:3,5; 6:1-2.
8. II Samuel records an important law of sowing and reaping in the spiritual world. After David's prayer of repentance (Psalms 51) God forgave him for adultery and murder (II Samuel 11). But David still harvested sorrow from his actions. The harvest involved the death of an infant son, the rape of a daughter by her own brother, the murder of that brother by another brother, and the rebellion of his favorite son who was later executed by a military commander.
9. Another important principle is taught in II Samuel. It is the principle of doing God's will God's way. It was God's will for David to bring the ark into the Holy City. God's way was for the priests to carry it. At first David did not obey and it resulted in sorrow and death (6:1-7). It is important to harmonize God's will with God's way.

## FOR FURTHER STUDY

1. Although there is much similar material in the books of II Samuel, the Kings, and the Chronicles, each book is written to accomplish a specific purpose.

For example, II Samuel and I and II Kings present the political history of both Israel and Judah. In I and II Chronicles a detailed religious history of Judah only is presented.

II Samuel and I and II Kings focus on the rulers and prophets of the period. I and II Chronicles focus on the priests and the temple.

As you study these books in detail, look for the differing emphasis of the material which is repeated.

2. II Chronicles is a book of revivals. Great revivals occurred under:

-Asa:	II Chronicles 15
-Jehosaphat:	II Chronicles 20
-Joash:	II Chronicles 23-24
-Hezekiah:	II Chronicles 29-31
-Josiah:	II Chronicles 35

3. Key words in Chronicles to mark in your Bible:

- house
- ark
- covenant
- cry (cried)
- seek (sought)
- heart
- pray (prayer, prayed)
- prophet(s)

4. Many lessons about prayer and seeking God can be learned from these books. Review what you learn from marking the key words. Study especially 2 Chronicles 6.
5. What did you learn from the successes and failures of men such as Jehosaphat, Hezekiah, and Uzziah?

536 B.C. Zerubbabel with 42,360 Jews, 7,337 servants, 200 singers, 736 horses, 245 mules, 435 camels, 6,720 asses, and 5,400 gold and silver vessels.

# AN INTRODUCTION

## TO THE BOOKS OF POETRY

The five books of poetry show a progression of spiritual life.

**Job:** Describes the death to the old life of self.

**Psalms:** Illustrates the new life in God, expressing itself in praise, prayer, adoration, supplication, confession, and intercession. Psalms is the hymn book and worship manual of the Bible.

**Proverbs:** Gives heavenly, yet practical, wisdom for life on earth.

**Ecclesiastes:** Tells of the vanity of pursuing life "under the sun" apart from God.

**Song of Solomon:** Provides an example of life with meaning by a personal relationship with Jesus Christ. Biblical poetry is different from most types of poetry because it is written in Hebrew poetic structure. Keys to understanding this structure are given in the Harvestime International Institute Course entitled "*Creative Bible Study Methods*."

## FOR FURTHER STUDY

1. List the name of each character who speaks in the book of Job. Summarize the thoughts presented by each. The answers for the problem of suffering is dealt with from different perspectives by the friends of Job. They all agree that Job must have sinned.

Eliphaz views the problem from the perspective of philosophy.

Bildad bases his advice on tradition rooted in history.

Zophar bases his ideas on assumption and is the voice of orthodox morality.

Elihu was an intellectual and bases his advice on education and logic.

2. Compare Job 1:21 with Philippians 4:11-12
3. The book of Job provides the most extended description of the world's history before man. See chapters 38-39. Other statements about the earth reveal it is suspended in space (26:7) and that it is a sphere shape (22:14).

4. The book of Job reveals two important truths:

First, there is a spiritual reason behind the suffering of the righteous: Job 1:6-12; 2:1-6.

Second, Satan cannot afflict a believer without the permission of God: Job 1:6-12; 2:1-6. God knows how much we can bear and will not let Satan go beyond this point (I Corinthians 10:13).

5. The book reveals several reasons for Job's suffering:

-That Satan might be silenced: 1:9-11; 2:4,5

-That Job might see himself as he really was: 40:4; 42:6

-That Job might see God: 42:5

-That Job's friends might learn not to judge: 42:7

-That Job might learn to pray for his critics rather than lash out against them verbally: 42:10

-To show that God's plans for His children eventually result in happiness: 42:10

## **OUTLINE**

It is difficult to outline the book of Psalms as each chapter focuses on different subject matter. Many of the Psalms have titles which either tell the occasion when the Psalm was written or the purpose of the Psalm. Some of the Psalms were not given titles so we can only speculate as to when and why they were written. The Harvestime International Institute course entitled "*Creative Bible Study Methods*" provides a special study form for outlining each chapter in Psalms. The general outline of this book consists of five major divisions:

### **Part One: Psalms 1-41**

Number of Psalms: 41  
Summary of content: Concerns man, his state of blessedness, fall, and recovery.  
Key word: Man  
Final doxology: 41:13

### **Part Two: Psalms 42-72**

## FOR FURTHER STUDY

### **INSTRUMENTS MENTIONED IN PSALMS:**

- Alamoth: High-pitched harps
- Gittith: Similar to the modern guitar
- Mahalath: Flutes
- Mahalath Leannoth: Special flutes played in times of mourning
- Sheminith: A lyre or five stringed harp

### **TYPES OF PSALMS:**

**Psalms Of Instruction:** The word "Maschil" in the title means these and other Psalms are to be used for instruction or teaching. (Psalms 32, 44, 52, and 78 are examples.)

**Psalms Of Adoration:** In these Psalms God's greatness, mercy, love, and power are the theme. (See Psalms 8, 29.)

**Psalms Of History:** These recall historical events of the nation of Israel. (See Psalms 78, 105 and 106.)

**Psalms Of Supplication:** Making requests of God. (An example is Psalm 86.)

**Psalms Of Thanksgiving:** An example is Psalm 18.

**Imprecatory Psalms:** The word "imprecatory" means cursing. These Psalms are not for personal revenge nor is bad language used. As a prophet of God, the writer speaks out against sin and the enemies of God. (Examples of these are Psalms 35, 55, 58, 59, 69, 83, 109, 137 and 140.)

**Confession Psalms:** Examples are Psalms 6, 32, 38, 51, 102, 130 and 143.

**Messianic Psalms:** These Psalms, or portions of them, give prophecies relating to the coming of the Messiah, Jesus Christ. They are recorded on the next page to enable your further study.

# CHAPTER TWENTY-ONE

## PROVERBS

### OBJECTIVES:

Upon completion of this chapter you will be able to:

- Name the author of the book of Proverbs.
- Identify to whom the book of Proverbs was written.
- State the purpose for the book of Proverbs.
- Write the Key Verse of the book of Proverbs from memory.

### INTRODUCTION

**AUTHOR:** Solomon, the son of King David, wrote most of the Proverbs. It is recorded in I Kings 4:32 that Solomon spoke three thousand proverbs under the inspiration of God. Some of these are preserved for us by the Holy Spirit in the book of Proverbs. Two chapters in Proverbs are written by authors with another name: Agur wrote chapter 30 and Lemuel wrote chapter 31. Some of the Proverbs Solomon set in order himself. This means he not only wrote them but also arranged them in the order in which they are presented in the Bible. Other Proverbs of Solomon were put in their order by King Hezekiah's men

**TO WHOM:** Israel, but the truths for practical living are applicable to all believers.

**PURPOSE:** The purposes of this book are given in Proverbs 1:1-6. Read them in your Bible. An introduction to Proverbs is given in Ecclesiastes 12:8-14. Read this passage in your Bible.

**KEY VERSE:** 3:13

**LIFE AND MINISTRY PRINCIPLE:** Vertical wisdom is necessary for horizontal living. Proverbs is a collection of wise principles given by God to man (vertical) to govern living with others (horizontal).

**MAIN CHARACTERS:** The authors, Solomon, King Lemuel, and Agur. The woman apart from God is called the "strange woman." The final chapter of Proverbs presents a contrast to her by describing the "virtuous woman" who knows God.

## OUTLINE

The word "proverbs" means "a brief saying instead of many words." Each verse in Proverbs is a concise summary of an important truth. It is difficult to make a general outline of the book because each chapter and sometimes each verse within the chapter deals with a different subject. The reason for writing these brief sayings or "proverbs" is to condense wisdom to help us remember spiritual truths better. The Proverbs are short summaries of great spiritual truths. Here is a general outline of the book:

- I. Introduction: 1:1-6
- II. Lessons on wisdom: 1:7-9:18
  - A. The call of wisdom: 1:7-33
  - B. The rewards of wisdom: 2:1-7:27
  - C. Praise of divine wisdom: 8:1-9:18
- III. Miscellaneous proverbs of Solomon set in order himself: 10:1-22:16  

(From this chapter through chapter 25 are various observations about Christian virtues and their opposite sinful attitudes and responses.)
- IV. Collections of proverbs of wise men: 22:17-24:34
- V. Proverbs of Solomon set in order by Hezekiah's scribes: 25:1-29:27
  - A. Observations about kings; quarrels; relationships with others: 25:1-28
  - B. Comments on fools, sluggards, and busybodies: 26:1-28
  - C. Self-love, true love; offenses; thoughts on household care: 27:1-27
  - D. Contrasts of the wicked and righteous: 28:1-28

# INTRODUCTION TO THE BOOKS OF PROPHECY

The final group of books in the Old Testament contain the writings of the prophets.

The people of Israel became a nation, were redeemed from slavery in Egypt, and God brought them into their own land. They were given a law to live by, but they were constantly failing in their commitment to God.

With idol worship, civil war, immorality, and unconcern, Israel needed to be recalled again and again to the purpose of their existence. The prophets were men raised up by God to call the people back to God. Several of these books were written during a time period when the nation of Israel was divided into two separate kingdoms: Israel and Judah.

The books of the prophets include the following:

**Isaiah:** Warns of coming judgment against Judah because of their sins against God.

**Jeremiah:** Written during the later decline and fall of Judah. Tells of the coming judgment and urges surrender to Nebuchadnezzar.

**Lamentations:** Jeremiah's lament over Babylon's destruction of Jerusalem.

**Ezekiel:** Warns first of Jerusalem's impending fall and then foretells its future restoration.

**Daniel:** The prophet Daniel was captured during the early siege of Judah and taken to Babylon. This book provides both historic and prophetic teaching important in understanding Bible prophecy.

**Hosea:** Theme of this book is Israel's unfaithfulness, punishment, and restoration.

**Joel:** Tells of the plagues which foreshadowed future judgment.

**Amos:** During a period of material prosperity but moral decay, Amos warns Israel and surrounding nations of God's future judgment on their sin.

**Obadiah:** God's judgment against Edom, an evil nation located south of the Dead Sea.

**Jonah:** The story of the prophet Jonah who preached repentance in Ninevah, capitol of the

Assyrian empire. The book reveals God's love and plan of repentance for the Gentiles.

**Micah:** Another prophecy against Israel's sin. Foretells the birthplace of Jesus 700 years before the event happened.

**Nahum:** Tells of the impending destruction of Ninevah which was spared some 150 years earlier through Jonah's preaching.

**Habakkuk:** Reveals God's plan to punish a sinful nation by an even more sinful one. Teaches that "the just shall live by faith."

**Zephaniah:** Judgment and restoration of Judah.

**Haggai:** Urges the Jews to rebuild the temple after a 15 year delay due to enemy resistance.

**Zechariah:** Further urging to complete the temple and continue spiritual development. Foretells Christ's first and second comings.

**Malachi:** Warns against spiritual shallowness and foretells the coming of John the Baptist and Jesus.

The chart on the following page tells when and to whom the prophets ministered.

## FOR FURTHER STUDY

1. One of the greatest passages on the faithfulness of God is found in Lamentations 3:21-33. Compare this with II Timothy 2:13.
2. Compare Revelation 18 to the book of Lamentations. In Lamentations, the prophet weeps over the destruction of the Messianic city of Jerusalem. In Revelation 18, the merchants weep over the destruction of the materialistic city of Babylon.
3. Read Lamentations 5:16. This verse summarizes the reasons for God's judgment. Around 1000 B.C. David established his capital in Jerusalem. God blessed this city for nearly 400 years and spared it even after he allowed the northern kingdom to be carried away by the Assyrians in 721 B.C. All of His mercy was in vain, however, for the people of Judah continued to sin. Judgment now came.
4. The Jews have for centuries publicly read Lamentations each year on the ninth month of Ab to commemorate the destruction of the first Temple in 586 B.C. and the second Temple in A.D. 70.
5. It is said that Jeremiah sat weeping outside the north wall of Jerusalem under a hill called Golgotha where Christ would later die.
6. Jerusalem is personified as a woman. List what happened to Jerusalem and why. Note her emotions, the anguish because of her children, and the thoughts and memories she must deal with.
7. Record what you learn about God in this book: His character, His judgments, and why He acts as He does. For example Lamentations 1:5 states that God caused Judah grief because of her sin and brought about her captivity because of her transgressions.
8. Why do you think God deals with sin as He does? How should we respond? Read chapter 3 so your "dancing" will not be turned into "mourning."

## FOR FURTHER STUDY

1. Compare Ezekiel chapter 16 and the book of Hosea.
2. The most vivid Old Testament vision is the valley of dry bones found in Ezekiel 37. Study this chapter.
3. This book describes one of seven Biblical temples, the Millennial temple. See Ezekiel chapters 40-48. Read about the other Biblical temples in these chapters:
  - The tabernacle of Moses: Exodus 40
  - The temple of Solomon: I Kings 6
  - The temple of Zerubbabel/Herod: Ezra 6, John 2
  - The temple of Christ's body: John 2
  - The spiritual temple: The church: Acts 2
  - The tribulation temple: Revelation 11
4. It is important to realize that God orders the events of history with one purpose in mind: That the nations might know He is the true God. The phrase "they shall know I am Jehovah" occurs 70 times in this book. Underline these passages as you study Ezekiel to help you understand the divine purpose of God's actions.
5. Ezekiel is a prophet of visions. He wrote that as he was among the captives, "...the heavens were opened, and I saw visions of God" (Ezekiel 1:1). Here are the visions he saw:
  - The vision of the Cherubim: Ezekiel 1:1-3:13

  - The parable of the two eagles reveals the King of Babylon and the King of Egypt; the highest branch corresponds to Jehoiachin; seed of the land was Zedekiah; the tender twig stood for the Messiah: Ezekiel chapter 17
  - Chapters 20-23 include several parables. One of the most important is that of the two sisters, Aholah and Aholibah. They represent Israel and Judah's deterioration into idolatry.
  - The parable of the boiling caldron symbolizes the condition of Jerusalem when the Babylonians invade it: Ezekiel 11:1-13
  - Two sticks, one Judah and the other Israel, are shown as ultimately reunited under the Shepherd King: Ezekiel 37:1-28

## FOR FURTHER STUDY

1. Ezekiel refers to Daniel. He compares him to Noah and Job: Ezekiel 14:14. He also refers to the wisdom of Daniel: Ezekiel 28:3. Jesus quoted Daniel: Matthew 24:15
2. Daniel contains a great prayer of personal confession: 9:3-19
3. Important things in Daniel:
  - The most dramatic feast in the Bible: 5
  - The only Old Testament description of the Father: 7:9-14
  - The only book mentioning both Gabriel and Michael (Heaven's two archangels): 9:21; 10:13; 12:1
  - An explanation as to why prayer might sometimes be hindered: 10:10-13
  - The most complete description of the Antichrist: 7:7-27; 8:23-25; 9:26; 11:36-45
4. The 70 weeks of Daniel described in 9:24-27 uses the word "week" to mean a period of 70 years. If there are 70 seven year periods, it equals 490 years. The division of these years are as follows:
  - 7 weeks, or 49 years, began at the command to build Jerusalem under Ezra and Nehemiah.
  - 62 weeks, or 434 years, began at the building of the wall of Jerusalem and continued to the time of the crucifixion when Jesus was "cut off."
  - Gentile rule, an unknown number of years intervenes after the 69th week. We are in this period now, awaiting the return of Jesus.
  - 70th week, 7 years not yet begun, during which God deals with Israel. This starts when the Antichrist takes power and the tribulation begins. This ushers in the time of trouble of Daniel 12:1 which is the great tribulation described in Revelation.
5. The rise and fall of world empires discussed in Daniel chapters 2, 7, and 8 is summarized on the following page:

### Visions Of Gentile Powers

Empire	Statue	Metal	Daniel 2	Animal/Personage	Daniel 7

Third, God commanded Hosea to name his children by titles which described the future punishment and eventual restoration of Israel.

---

---

---

5. Write the Key Verses of Jonah.

---

---

---

---

(Answers to tests are provided at the conclusion of the final chapter in this manual.)

## FOR FURTHER STUDY

1. When God "repented" it did not mean the same as repentance from wrongdoing (3:10). God, in mercy, decided not to send the previously planned judgment because the people of Ninevah believed and acted upon Jonah's message. See Amos 7:3; Luke 11:30; Matthew 12:39.
2. Jonah is a type of the nation of Israel:
  - Chosen to witness: Deuteronomy 14:2; Ezekiel 20:5
  - Commissioned of God: Isaiah 43:10-12 and 44:8
  - Disobedient to the will of the Lord: Exodus 32:1-4; Judges 2:11-19; Ezekiel 6:1-5; Mark 7:6-9
  - Among men of different nationalities: Deuteronomy 4:27; Ezekiel 12:15
  - While among the heathen, they came to know God: Romans 11:11
  - Miraculously preserved: Hosea 3:3; Jeremiah 30:11; 31:35-37
3. Note the reasons Jonah was displeased with God. It was because He was gracious, merciful, slow to anger, great in kindness, and repents of judgment.
4. Jonah was controlled by his emotions. For example, in chapter 4 he was first angry, then glad, then angry again. He was self-willed (chapter 1) and characterized by pride (4:2). He was more concerned with his own happiness and comfort (chapter 4) than lost souls.
5. When running from God, there is . . .
  - Indifference to His commands: 1:2-3
  - Inability to hide from Him: 1:4,17
  - Insecurity in the future: 1:15
  - Incapability of helping self: 1:4-6
6. Jonah is a type of Christ. Both had a special message, Jonah of judgment and Jesus of salvation. Both were in a storm. Jonah was thrown into the water and Jesus calmed the storm. Jonah cried out from the fish and Jesus cried out from the cross. Both rose the third day (Jonah from the fish and Jesus from the tomb) and both preached after their resurrection.

(Answers to tests are provided at the conclusion of the final chapter in this manual.)

## FOR FURTHER STUDY

1. Read Haggai 1:9 to find the reasons Israel was not being blessed by God.
  2. Spiritual truths in Haggai:
    - The Lord's work takes priority over all.
    - The Lord's work demands clean instruments.
    - The Lord's work is linked to God's plan for all nations.
    - Good is not contagious, but evil is.
  3. You are the temple of the Holy Spirit. Apply the truths of Haggai to yourself personally. Have you given too much attention and time to your personal affairs and neglected the things of God that are important for spreading the Gospel and the furtherance of His work?
  4. Mark every reference to "the word of the Lord came by the prophet Haggai" and "the word of the Lord came by Haggai the prophet." Each occurrence of these phrases begins a message. It will help you see the structure of Haggai.
  5. For the historical setting of Haggai read Ezra 4:24-6:22.
  6. God told Israel, "I will make thee as a signet" (Haggai 2:23). A signet ring was often a seal of a pledge. It was also used as a mark of honor and a badge of royal authority. Christ was God's "signet" with which He imprinted upon all believers His image and delegated to us His authority.
  7. Apply the teachings of Haggai about work to the unfinished task of the church of reaching the world with the gospel. Think about these things:
    - This work should take priority over other obligations.
    - This mission demands clean instruments.
    - The task is linked to God's plan for men and nations.
  8. If Haggai was writing to you personally in terms of how you are fulfilling the Great Commission, what do you think he would say?

## SELF-TEST

1. Who was the author of the book of Malachi?

---

2. State the purpose for the book of Malachi.

---

---

---

3. To whom was the book of Malachi written?

---

---

---

---

---

5. Write the Key Verse of Malachi.

---

---

---

(Answers to tests are provided at the conclusion of the final chapter in this manual.)

## FOR FURTHER STUDY

1. Malachi contains several key passages:
  - The most famous Old Testament passage on giving: 3:8-10
  - The most wonderful diary of all time: 3:16
  - The only passage in which believers are called Jewels: 3:17
  - The only Old Testament book predicting Elijah's return to minister during the tribulation: 4:15
2. It is difficult for man to accept the fact he has sinned. Note how the people argued with God's judgment in the book of Malachi. "Wherein" is the key word which precedes each argument of the people: 1:2,6,7; 2:17; 3:7,8,13
3. Note the minister's chief areas of temptation: 1:6-2:9
4. There are several "beholds" to note in this book:
  - Behold I will corrupt and reject worship: 2:3
  - Behold I will send my messenger (John the Baptist): 3:1
  - Behold the earth will burn: 4:1
  - Behold Elijah will warn: 4:5
5. "God's Book Of Remembrance": See also Exodus 32:32; Psalms 56:8; 69:28; 139:16; Ezekiel 13:9; Daniel 7:10; 11:1; Philippians 4:3; Revelation 20:12
6. Although most of the prophets lived and prophesied in days of change and political upheaval, Malachi lived in an uneventful waiting period when God seemed to have forgotten His people who were enduring poverty and foreign domination in Judah. The day of miracles seemed to have passed with Elijah and Elisha. The Temple was not completed and nothing profound had occurred to indicate God's presence had returned to fill it with glory as Ezekiel prophesied (Ezekiel 43:4). The people continued their religious duties without enthusiasm. In reality, the promises that had been given were conditional and the people were not meeting the requirements of God to enable them to receive them. Malachi's prophecy permits us to see the strains and temptations of the waiting periods of life. More important, he also shows the way back to genuine faith in the God who does not change (3:6); who invites men to return to Him (3:7); and who never forgets those who respond (3:16).
