**BEHAVIOR FRONTIERS EXPANDS TO SERVICE THE PASADENA, CA AREA**

*ABA training & treatment programs for children with autism and other special needs  
now available throughout Pasadena and surrounding areas*

Los Angeles, CA (June 11, 2013) Behavior Frontiers, a non public agency offering solutions to help children with autism and other special needs using state-of-the-art **applied behavior analysis** (ABA) training and treatment programs, is announcing the expansion of services to the Pasadena area in Southern California.

Families will be provided with custom ABA treatment plans delivered by Behavior Frontiers' knowledgeable and highly trained clinical staff members using accurate and results-driven ABA methods to improve the quality of life for children and their families. Families located out of the service area can also receive online ABA training for parents and professionals through [Behavior Frontiers Online Training Center](#).

California law mandates that most health insurance plans cover ABA treatment for children with autism spectrum disorder. Behavior Frontiers has contracts with health plans in order to provide this medically necessary treatment to children with autism spectrum disorder and continues to add more providers when possible. Behavior Frontiers offers free insurance verification to help families get started with a comprehensive treatment plan as quickly as possible.

"The CDC now estimates that an average of 1 in 50 children in the U.S have an autism spectrum disorder," says Behavior Frontiers Founder and Clinical Director, Helen Mader, M.A., B.C.B.A., "so our goal is to expand to new areas and offer the highest quality treatment to children in need of services and the most innovative ABA training to parents and professionals."

Behavior Frontiers clinical staff members will be available to serve clients in or near the following cities:

Alhambra, Altadena, Arcadia, Eagle Rock, East Pasadena, El Monte, Garvanza, Glendale, Highland Park, Kinneloa Mesa, La Canada Flintridge, Lamanda Park, Linda Vista, Monrovia, Monterey Park, North Highland Park, Olga, Pasadena, Raymond Hill, Rosemead, San Gabriel, San Marino, Sibagna, Sierra Madre, South El Monte, South Pasadena, Stoneman, Temple City

Pasadena area residents can contact 1-888-922-2843 for more information and can also visit:
