

COMMUNITY MATCHED FUNDING PROGRAM

Expression of Interest

Building on our experience over the last seven years, the Fleurieu Community Foundation (FCF) is announcing a new and exciting program to support our local community.

The **Community Matched Funding Program** involves the FCF doubling the fundraising efforts of community groups for local projects. For approved projects the FCF will match \$ for \$ money raised through community fundraising. Matched funding would normally be a minimum of \$500 and a maximum of \$1,000.

Approved projects will need to be for charitable purposes in the Fleurieu region with a focus on community health and wellbeing, community development, education, environmental and cultural projects.

Expressions of interest for the **Community Matched Funding Program** can be lodged at any time and will be assessed by the Board of the FCF twice a year.

If your community group is interested in participating in the Community Matched Funding Program, please complete the following EOI and return by e-mail to info@fleurieucommunityfoundation.org.au, or by post to PO Box 246, Victor Harbor SA 5211. **This is an Expression of Interest only.**

Outline of your community project

Acknowledgement

- We understand that this is an expression of interest only.
- We understand that we may be asked for additional information in support of our EOI.
- We understand that if successful our organization will be required to enter into a Funding Agreement with the FCF
- We understand that support through the Community Matched Funding Program will only relate to fundraising for new projects, after funding agreements have been finalized, and that matched funding will not be provided for fundraising that has already taken place.
