

## **FLORENCE WILCKENS AWARD FOR YOUNG PERFORMING ARTISTS**

# **GUIDELINES**

### **What is the Purpose of the Award?**

The Florence Wilckens Award for Young Performing Artists has been established by the family and relatives of Florence Wilckens, and is managed by the Fleurieu Community Foundation. The award aims to support senior school students in the Fleurieu region to further their studies in the performing arts, music or dance, and who show initiative and commitment in their field of interest, but who may be experiencing difficulty in continuing their studies, or accessing other education or training, due to hardship or disadvantage.

The Florence Wilckens Award is based on access and equity. It is not intended to be a merit award that just recognises talent.

It is expected that one award will be offered each year for a total amount of up to \$500.

### **About Florence Wilckens**

Florence (Flo) Wilckens (nee Whitwam) was born in 1918 and died on the 1<sup>st</sup> August 2012 in Sandpiper Lodge, Goolwa, South Australia. She was 93 years old and had a full life post 2<sup>nd</sup> World War as a wife and mother to 4 children.

Prior to the war Flo was a stage performer and dance teacher. She started on the stage in Melbourne at 4 years of age in pantomimes, and at age 14 left school to perform full time with JC Williamson. By the time she was 17 she was a seasoned trouper and danced in the ballet chorus at the famous Tivoli Theatre in Melbourne. When on tour she danced on stages in cities and regional towns across Australia and New Zealand including Auckland, Sydney, Adelaide, Perth and Brisbane. Flo also established her own Dance Academy for children and showed many children's pantomimes.

The children of Florence Wilckens want her to be remembered for her love of the theatre, dance, music and movies, and have established a fund to support the granting of the award. It is anticipated that this award will be granted annually to a young performance artist in the Fleurieu region.
