

Jeremy D. Giles
Prologis
President, Central Region
Dallas, TX

Jeremy Giles, as President for the Central Region, has overall responsibility for ProLogis' performance in the Central Region of the United States. The Central Region is comprised of 121 mm SF in 13 markets. Previously from 2009 through 2010, Mr. Giles was Senior Vice President and Regional Director for the Southwest Region. Prior to that from 2006 to 2009, he was Senior Vice President and Regional Director of Operations in the Southeast Region. From 2004 to 2006, Mr. Giles oversaw ProLogis' performance in the Memphis and Nashville markets. In addition to his ten years with ProLogis, Mr. Giles also has experience in the transportation, management consulting and merchant energy fields. Mr. Giles holds both a B.A. and an M.B.A. from the University of Texas at Austin.
