PROFESSIONAL EXPERIENCE

FMI Corporation, Denver, CO May 2014 - Present
Management Consulting Intern

- Leveraged strong work history and industry knowledge to secure a summer internship with the foremost management consulting and investment banking firm serving the construction industry.
- Played an active and critical role in multiple client engagements through research, analysis, and facilitation of strategic planning sessions.

Atkins North America, Atlanta, GA Sep 2011 – July 2013
Project Manager

- Successfully executed the substantial completion of two distressed brigade HQ projects (Ft. Stewart & Ft. Campbell) with a combined contract value of more than \$25MM.
- Subsequently took full responsibility for managing all aspects of design and construction for a new, ten-story air traffic control tower (Vance AFB).
- Provided oversight throughout a rigorous design and review process, and led a concerted effort among the customer, design team, and subcontractors to ensure the project satisfied all required performance criteria and Air Force expectations.

The Ross Group, Oklahoma City, OK Feb 2010 – Sep 2011
Project Manager | Assistant Project Manager

- Managed all aspects of design, contracting, scheduling, and the like for multiple, concurrent projects; major projects included a new aircraft hangar and a squadron operations & life support facility.
- Quickly adapted by a commitment to self-educate on the intricacies of military construction and the federal procurement process.

Bovis Lend Lease, Tampa, FL Apr 2006 – Feb 2010
Assistant Project Manager

- Administered change management process throughout the entire construction of a 288-unit, \$110MM (GMP) beachfront resort; project incurred excessive cost-impact design changes resulting from over 4,000 revised drawings and 1,000 Requests for Information (RFI's).
- Obtained and evaluated a high-level of cost substantiation from subcontractors, and negotiated over \$5MM in change orders with a resistant and scrutinizing client.
- Project management responsibilities for structural and exterior envelope scopes of work. Acted as liaison to insurance providers and adjusters for several large claims arising from water damage and theft.

Oswald Company, Inc., Cincinnati, OH Jun 2001 – Apr 2006
Project Engineer | Co-Op
