

CALCASIEU AREA COUNCIL CAN FOOD DRIVE

Quelqueshoe Lodge 166 invites all Units to help in a holiday can food drive that will benefit the victims that have lost their homes and been displaced due to the recent flooding throughout southern Louisiana.

- All Boy Scouts, Cub Scouts, and Adult Leaders that participate in this project will receive a patch for their participation. (Patch shown in headline art at the top of the page)
- The food drive is starting now until the main collection day that will take place on Nov. 5th from 8am-1pm.
- Examples for collecting can goods:
 - door to door: Make sure the scouts inform the people donating what the food drive is for
 - having collection sites set up at churches and schools
 - grocery stores(the day of the food drive Nov. 5th, with permission from the store)
- Items will be collected at the Council Scout Office in Lake Charles for the Pioneer and Cypress Knee Districts. Units that are located in the Thunderbird District can drop off items with Zack Breeding at 1112 Shirley St. Deridder, LA.
- We ask that adult leaders in charge of the Units participating in the food drive drop off a list of names at the Council Scout Office or with Zack for everyone who participated in this event.

Thank you for participating to help others in need during the Holiday Season!
