PARISH NOTES

The Five Marks of Mission

Bishop Edwards in his charge to us during last year's Synod said, "In order to be the Church we are called to be, I suggest we need to run everything we do through the following test, how does this, whatever it is, square with the Five Marks of Mission of the Anglican Communion?...As a Diocese we should put certain things in place in our own lives and as parishes in order to see us move in the direction of these Marks." To keep these Marks in front of us and to share the stories of how we are living these Marks of Mission, the Diocesan Administration Team has commissioned a **series of bulletins which parishes are encouraged to use during the Easter Season, beginning after Easter Day**. Please also note that the Diocese wants to receive stories of how we are living these Marks of Mission.

Sunday School Leaders

We are pleased to report that the McEvoy girls, Linda, Hannah and Emma will be leading our Sunday School program until the summer break. They have served in this capacity for many years and we are grateful to them for "coming out of retirement" to serve the children and families of the Parish. Thank you so much and may God bless your ministry among us.

NEWS FROM THE PEWS

... we certainly enjoyed some lovely services through Holy Week. Our children got the week started with their *Palm Sunday Parade* in costume, waving palm branches as they processed through the church. The older children then gave us a skit *This Week In Jerusalem*. One of our highlights this year was the combined Good Friday Liturgy, bringing together the five Anglican congregations in the KV. The weather did not cooperate that day, but we still had a congregation of 150, including 26 in the choir. Everyone agreed that it was wonderful for us to come together for this service. Four children were baptized at the Easter Vigil service on Saturday evening: Matthew Henry Cowan (son of Niki and Matthew); Nolan Brien (son of Jenna and Michael); and Sara Grace & Ally Rose Blissett Long (daughters of Ashley & David). Of course we have come to expect the wonderful music of Easter morning from our choir and guests, Rob Dutton (trumpet) and Deantha Edmunds (soprano soloist). There are many people behind the scenes making the services run smoothly and we thank them for their gifts of energy and creativity: choir members, Altar Guild, flower arrangers, Layreaders, Servers, Sidespeople, readers, retired priests, office staff, sextons, Daniella Haggerty and Charles Willett. Many thanks to all for giving us a beautiful Holy Week ... copies of *Pennies and Sparrows*, a newsletter on the Central Saint John Community Ministry of the Rev'ds Jasmine & Terence Chandra are available on the narthex table. St. Paul's supports this ministry through a grant from the Endowment Fund. It was a delight to have Rev. Jasmine assist with the Easter Vigil service last Saturday ... happy news that Alan & Marie Church are grandparents for the second time. William Alan (son of Peter and Sonya) was born March 11 in Toronto, a little brother for Isla. You may recall when little Isla was born a couple of years ago, and was so very sick. We prayed for her steadily. It is a miracle that she is thriving and growing in every way. And now they welcome Will to their family ... we had a quick check in with **Daniella & Ryan Haggerty**. On Friday morning they were just outside of Winnipeg and hoped to arrive in the evening to their new home. Of course their furniture will not be there for another 10 days or so. They have two vehicles, so Daniella was keeping Ryan in her sights as they went West. Daniella loved the blue pottery bowl that the parish gave to them as a parting gift ... be sure to check out the Parish composite picture in the lobby. It arrived this week as part of our new photo directory package... and because Easter is to encourage our sense of humour, a story from the Rectory. This year, youngest son is part of a Co-Op program at UNB-SJ, alternating a term of study at the university with a term of work at an accounting firm. The Co-Op program is somewhat new to many of us and Matthew's proud grandmother was not entirely familiar with the idea and was heard telling her friends that her grandson is in a *Grow-Op* program through the university! Ooops! ... *that's the news from our pews! ALS.*
