In the Bulb There Is a Flower

In the bulb there is a flower; in the seed, an apple tree;
in cocoons, a hidden promise: butterflies will soon be free!
In the cold and snow of winter, there's a spring that waits to be,
unrevealed until its season, something God alone can see.

There's a song in every silence, seeking word and melody;
there's a dawn in every darkness, bringing hope to you and me.
From the past will come the future; what it holds, a mystery,
unrevealed until its season, something God alone can see.

In our end is our beginning; in our time, infinity;
in our doubt there is believing; in our life, eternity.
In our death, a resurrection; at the last, a victory,
unrevealed until its season, something God alone can see.
