

# Create Your Own Minifig: *{ For Boys }*

This printable is born out of my son's love of all things LEGO.

Last year I created a "Create Your Own Minifigure" printable. I've heard from others their LEGO-maniacs love this printable. So, we decided to take it a step further and customize the little guy/gal!

Each minifigure is named, and your children can color them to match the name of the figure.

Color the minifigs. Be silly. Have fun!

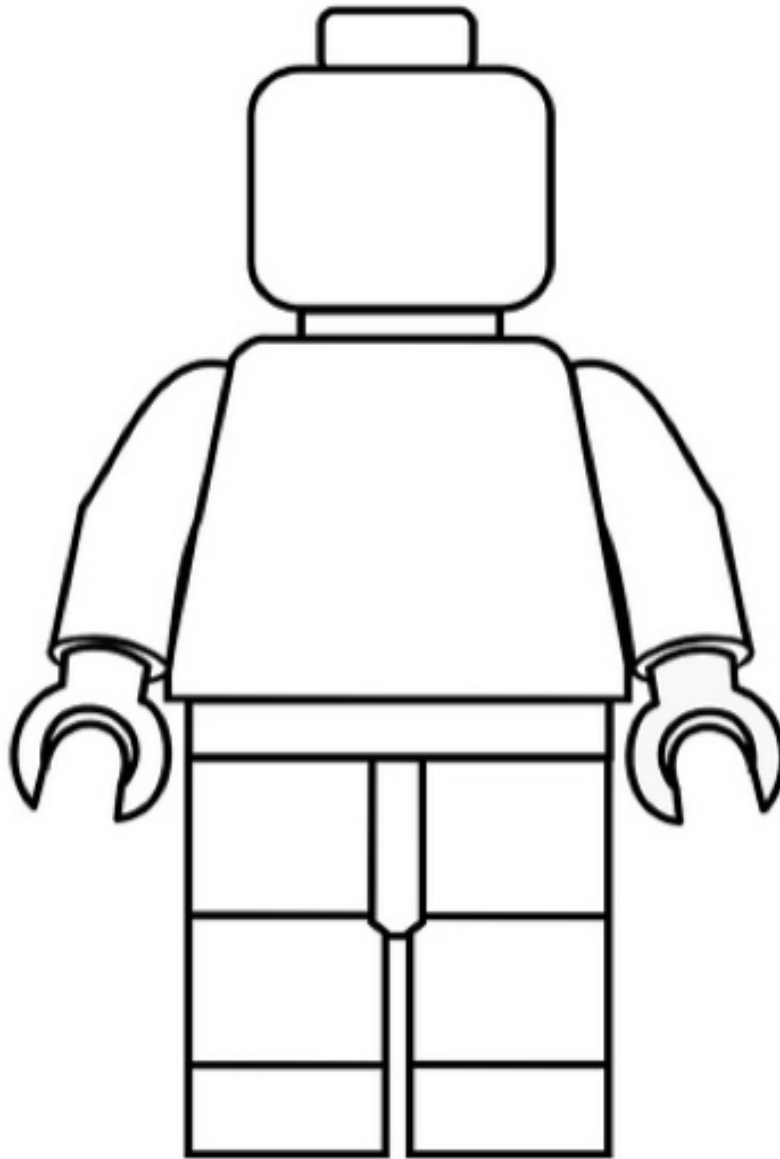

Maybe your children will be inspired to write poems or stories about their minifigs, who knows?

Be creative, and have some LEGO fun!

Best wishes!
