The American Psychiatric Association, in joint providership with the Indiana Psychiatric Society, invites you to participate in the 8th Annual Regional Integrated Mental Health Conference.

PROGRAMMING

New medications and technologies for treatment coupled with care coordination are resulting in improved patient outcomes of the mentally ill while saving the health care system significant dollars. Psychiatrists and other mental health professionals are seeing results they've longed hoped for.

Join us as we review strategies proven successful in bringing hope to those with mental illness. Programming will include lecture-style presentations as well as small group breakouts and a panel discussion. Learners will be encouraged to participate to improve the knowledge of all participants.

TARGETED AUDIENCES

Psychiatrists, Primary Care Physicians, Physicians of Other Specialties, Mental Health Providers, Psychiatric Nurses, Nurse Practitioners, Physician Assistants, and Hospitalists
