Cancellation / No Show Policy

We require 24 hours notice in the event of a cancellation. There will be a \$25 charge for a cancellation without proper notice. This charge will not be covered by insurance but will have to be paid by the patient personally. 24 HR Cancellation/No Show policy will be implemented **without** exceptions. All no show and cancellations with less than a 24 hr notice will be assessed a missed appointment fee, **regardless** of the circumstances.

For Worker's Compensation and Personal Injury patients, documentation of any missed appointments is forwarded to your Case Manager and Primary Physician and may jeopardize you claim and any further treatment.

If you cancel, or no show, to 3 or more appointments we reserve the right to require you to make all of your appointments on a same-day basis. We also reserve the right to cease treatment if you are inconsistent with your appointments.
