

JMUMC Policies, Procedures, and Rules

Our goal is to make Jones Memorial a safe and healthy place for all of our children. Please understand, by registering your child(ren) for our events or attending our programs you are agreeing to follow the policies, procedures, and rules below.

Authorization of Medical Care: In case of illness or injury, if I cannot be reached, I authorize and desire medical care for my child at the discretion of JMUMC and the attending physician at the medical/emergency center. If a hospital is not listed on the event registration form or permission medical release form, TC Thompson Medical center will be used. I accept responsibility for all associated expenses.

Acceptance of Rules and Policies: I have read and understand Jones Memorial United Methodist Church rules and policies and agree to abide by them through the course of my and my family's involvement with the program.

- **Lice Policy-** We have a No Nit "Eggs" Policy. If we find head lice we will contact you immediately for you to pick up your child. Your child will not be able to return to the Children's Programs until they are nit and lice free. We ask that you please notify us if lice are found so we can prevent outbreaks within our programs. If we are notified of a lice issue we will send an email out to let you know so you can check your child but we will not disclose the names of anyone involved, so please do not ask. Please remember that lice do not pick and choose their host. Everyone is a candidate.
- **Discipline Policy-** IMPORTANT: Please note that if a child continually chooses to break any rules three times during a program or event they may not be allowed to participate in the remainder of those activities. If necessary, the child's parent will be called to take them home. The Rules for Our Programs are not meant to be restrictive, but to ensure a safe and fun atmosphere where everyone has a sense of security.
 - Positive Consequences -Verbal praise, Receive Praise Points or Team Points, Special Recognition
 - Negative Consequences - Verbal Warning, Talk with the Director and will not be allowed to participate in the remainder of the night's activities, Talk with the Parents
- **Dismissal Policy** -Due to safety problems we have experienced in the past, only parents or approved individuals, who have been listed on the information sheet will be allowed to pick up your child. No one under 18 will be allowed to pick up your child unless a Permission Consent Form has been provided and signed by the parent. Please inform us if there are any custody or legality issues that we should be aware of for your child. As a reminder, we will not dismiss your child to anyone not on the approved list, even if your child knows the individual. Your child's safety is our number one priority.

Children must be picked up and dropped off INSIDE the building. No children will be allowed to leave the building unsupervised or to be dropped off. All Children need to be signed in and out by parent or guardian. If someone other than yourself or an individual listed on approved pick up list will be picking up your child, please send a signed note with your child stating who will pick him or her up.

- **Health Policy** - If your child has had a fever in the last 24 hours, or has been diagnosed with at contagious disease, please do not bring your child to the children's events or programs.
- **Photo Release Policy:** I give JMUMC permission to take photos of my child/children during this event, with the understanding these photos will be used for future slideshows, advertisements, publications, website, and Facebook or photo area in church or community.

JMUMC CHILDREN GROUP AND PROGRAM RULES

Children and Parent must read the rules and sign the children's contract below this form.

The following rules are listed so that you may know in advance what will be expected of you. Please take some time to become familiar with these rules. By respecting these guidelines, you assist in making each time we're together a tremendous time of focusing on what God wants to accomplish through you and making the Jones Memorial ministry fun and safe for everyone. Your example in following the rules will encourage others to do the same.

Group Rules:

1. Children are not allowed to leave the Jones Memorial group while attending any church sponsored event without the children leader's permission and notification by the child's parent/guardian. In this way, your attention can remain focused up to what God has to teach you while attending each Jones Memorial event.
2. Children must attend ALL scheduled activities while on Church sponsored events. There are no exceptions unless you are injured or sick and are being attended to by the Children's Director or other counselors.
3. Children who are ill or injured must report to the Children's Director immediately. This allows us to be certain that your physical and health needs are met.
4. Children must indicate what medications they will use during Jones Memorial events. Children are not allowed to share any medications with any other child. All medications each child uses or brings with them are to be listed on their permission forms and checked by the Children's Director or other counselors at check in. These medications will be given to each child as described by parents by the Children's Director. Children must not share any medications, including pain relievers, any over-the-counter or prescriptions with any other child. This protects the safety and liability of the students and staff.
5. In an event of an overnight trip all children must follow rules specific to that event.
6. Drugs, alcohol, any forms of tobacco, any type of paint, firearms, knives, any other kind of weapon, or fireworks are NOT allowed. These items can be destructive to you, to others and/or to the event's property. ALSO DO NOT BRING tape players, radios (including clock radios), CD players, televisions, or any other type of electric games or equipment, pagers, cell phones, or computers, By leaving these items at home the distractions of everyday life can be set aside while you direct your attention to God's Word. This eliminates these items from being misplaced or stolen. Jones Memorial United Methodist church, or its representatives or sponsors are not responsible for any items that may get misplaced or stolen on a Jones Memorial event.
7. Clothing should reflect a godly attitude, and not divert the attention of those around you from their focus on God's Word and His purpose in their lives.
8. Children are to respect adult sponsors and follow their instructions. Throughout the year, many adults volunteer their time and often pay their way to sponsor Jones Memorial events. They have been trained and instructed in how to guide students for each particular children's' event. Each wants you to be happy and help you have one of the greatest times of your life. They are responsible for the enforcements of all restrictions and regulations. Their instructions are not suggestions, but words to be heard and followed immediately
9. Refrain from Public Displays of Affections (PDA) with girlfriends or boyfriends. Also horseplay and fighting is prohibited. This is to ensure a safe trip for everyone.
10. Children must obey rules and regulations of host locations. We are guests and must abide by the rules and regulations of our host locations. Be respectful of the personnel at each location.
